-------------------	--

Model: CH-C09D(black)

EUT View 1	 A photograph showing the front view of a black rectangular device, identified as Model CH-C09D. The device is positioned vertically on a blue textured surface. It features two circular components: a top circular area with a lens and a bottom circular area with a small white dot. A black ruler with white markings is placed horizontally to the left of the device, showing measurements in millimeters and centimeters. The ruler is marked from 0 to 100 mm.
EUT View 2	 A photograph showing the back view of the same black rectangular device. The device is positioned vertically on a blue textured surface. It features a central square component and two circular components (top and bottom). A black ruler with white markings is placed horizontally to the left of the device, showing measurements in millimeters and centimeters. The ruler is marked from 0 to 100 mm.
