

Model: CH-C09D(black)

EUT Housing and Board View 1	 A photograph showing the back of a black mobile phone housing and its internal battery compartment. The housing is placed next to a black ruler with white markings for scale. The battery compartment is open, revealing four battery cells. The background is a blue textured surface.
EUT Housing and Board View 2	 A photograph showing the front of a black mobile phone housing and its internal circuit board. The housing is placed next to a black ruler with white markings for scale. The circuit board is visible, showing various electronic components. The background is a blue textured surface.

Solder Board-Component View 3	 A photograph of a small, circular, black printed circuit board (PCB) component, likely a microchip or sensor, resting on a blue textured surface. The component is positioned next to a black L-shaped ruler for scale. The ruler has white markings in millimeters and centimeters. The component is oriented with its flat side facing the viewer.
Solder Board-Component View 4	 A photograph of the same small, circular, black PCB component, showing a different side or angle. The component is positioned next to the same black L-shaped ruler on the blue textured surface. The component is oriented with its curved side facing the viewer, revealing several small, rectangular components or solder joints along its perimeter.
