

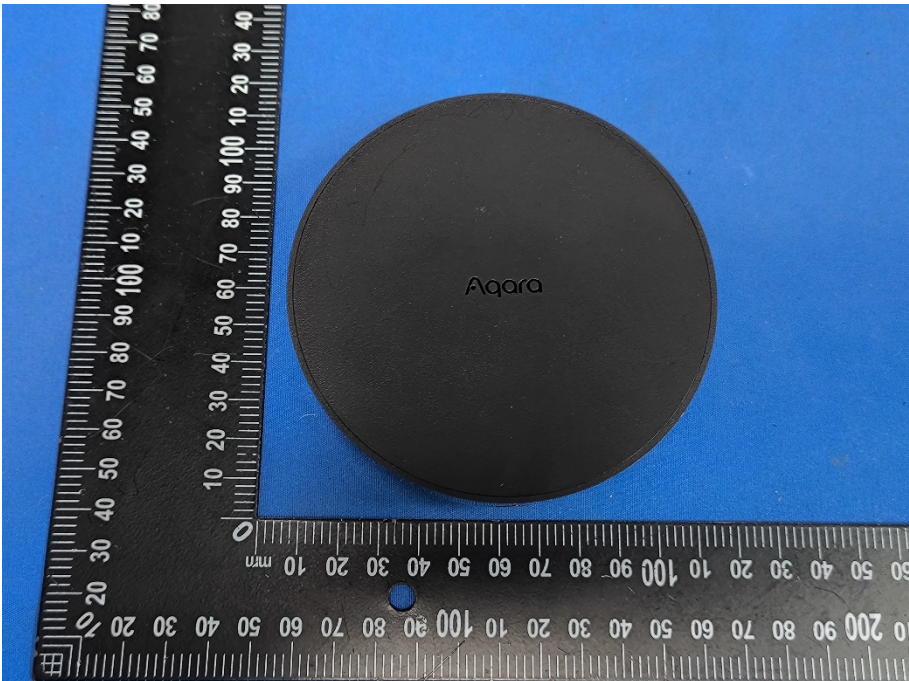

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black, circular electronic unit (EUT) with the brand name 'Aqara' printed in the center. To the right of the unit is a black USB cable with a standard USB-A connector on one end and a smaller, proprietary connector on the other. A black L-shaped ruler is placed around the unit and cable for scale. The ruler has markings in centimeters and millimeters. The entire scene is set against a solid blue background.
EUT View 2	 A photograph showing the same black, circular electronic unit (EUT) with 'Aqara' branding. In this view, the USB cable is not visible. The unit is positioned next to the same black L-shaped ruler used in View 1, providing a sense of scale. The background remains a solid blue color.

EUT View 5

EUT View 6

EUT View 7	 A black, circular electronic device, likely a Universal Test (EUT) unit, is shown next to a ruler. The device has a scale around its edge, ranging from 0 to 100. The ruler is marked in centimeters and millimeters. The device is placed on a blue surface.
EUT View 8	 A close-up view of the front panel of the EUT unit. The panel is black and features a USB port on the left and a rectangular slot on the right. The device is placed on a blue surface.
