MADIC ITALIA S.p.A. declares that, on product ALIO Style ALIO Vend, the statement of title 47 PART 15 A §15.19 (3) “This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.” is written on the user manual due to the small dimensions of the product.
