

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing a wooden table with a white rectangular device on top. A black power cord is connected to the device and runs to a power strip on the floor. The floor is grey concrete with some orange markings.	 A photograph showing a side view of the wooden table with the white device. A black antenna is connected to the device and is held in place by a white foam block. The background shows a grey wall and a power strip on the floor.
