Columbia, MD 21046-1609

**SUBJECT: End Product Model Difference Attestation**

**FCC ID: 2AKUFSSTA-V3**

**Brand/Trade Name: Biolog-id**

**Model Number: PRD\_7150200B / PRD\_7150200C / PRD\_7150300B /  
PRD\_7150300C / PRD\_7150500B / PRD\_7150500C / PRD\_7150600B / PRD\_7150600C**

We, **Biolog-id**, hereby declare that our end product, **Biolog-id**, includes **PRD\_7150200B / PRD\_7150200C / PRD\_7150300B / PRD\_7150300C / PRD\_7150500B / PRD\_7150500C / PRD\_7150600B / PRD\_7150600C** as listed above. The above listed models are electrically identical. Their only purpose is to accommodate the different dimensions of Helmer agitators. In fact, these devices are designed to be integrated into Helmer agitators. As the dimensions of the agitators vary, the antenna tuning on the central antenna board (CAR\_71508) may be adjusted accordingly. Therefore, we have defined different references for the same board, each with different antenna tuning capacitor values, to ensure optimal adaptation to each agitator model.

Should you have any question, feel free to contact me directly.

Sincerely yours,

-----  
Ludovic D'APREA
