Manual

TECHNICAL SPECIFICATIONS:

- .Bluetooth Version:5.0
- .Input:5V,1A
- .Bluetooth distance:≥10m
- .Rated output power:4Ω,8W
- .Frequency response:60Hz-18KHz
- .Battery capacity: 1800mAh
- .Signal to noise ratio:≥98dB
- .Weight:857g
- .Function: Bluetooth,TF card ,U disk,Aux in

HOW TO USE:

- 1. Press on/off button for 3s, then the device will be on and come to Bluetooth mode automatically;
- 2. Turn on your Bluetooth of your phone, search the Bluetooth name"SD-018" and connecting;
- 3. You will get a voice notification if connected successfully, then the music can be played;

FUNCTION BUTTON:

Press twice quickly for volume down, hold for 2s for last song;

Press twice quickly for volume up, hold for 2s for next song;

:Light model switch (5 kinds Led showing);

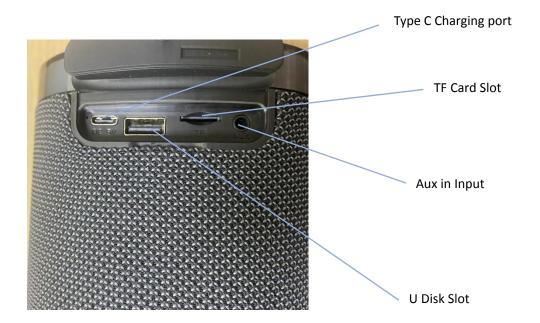

:Play/Pause;

:Model change (Bluetooth model,TF card model,U disk model);

HIDDEN FUNCTION SPECIFICATION:

FCC Warnning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection againstharmful interference in a residential installation. This equipment generates, uses and can radiateradio frequency energy and, if not installed and used in accordance with the instructions, maycause harmful interference to radio communications. However, there is no guarantee thatinterference will not occur in a particular installation. If this equipment does cause harmfulinterference to radio or television reception, which can be determined by turning the equipmentoff and on, the user is encouraged to try to correct the interference by one or more of thefollowing measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1)This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.
