1. Test environment

A black, square-shaped electronic device with rounded corners and a perforated top surface. The top surface is covered in a grid of small, circular holes. In the center of the device is a circular control panel with a black background. This panel features a power button (a circle with a vertical line) at the top, a volume knob (a circle with a vertical line) at the bottom, and two function buttons (a circle with a plus sign and a circle with a minus sign) on the left and right sides. A ruler is placed below the device for scale, showing measurements in millimeters and centimeters. The ruler is marked from 0 to 100 mm. The device is placed on a blue surface.
