| <div>Solder<br/>Board-Component<br/>View 2</div> |  A photograph of a rectangular printed circuit board (PCB) component, likely a LED strip driver, featuring a series of small, square surface-mount components. The component is positioned horizontally against a blue background. A black L-shaped ruler is placed next to it for scale, with the horizontal ruler showing measurements from 0 to 100 mm and the vertical ruler showing measurements from 0 to 80 mm. |
| <div>Solder<br/>Board-Component<br/>View 3</div> |  A photograph of a curved green printed circuit board (PCB) component with a thin copper wire attached to one end. The component is positioned against a blue background. A black L-shaped ruler is placed next to it for scale, with the horizontal ruler showing measurements from 0 to 100 mm and the vertical ruler showing measurements from 0 to 80 mm.                                                         |
