**1-2 Hours**  
Full Charge

● Charging  
○ Charging Complete

Powering On

For the first use, please remove the earbuds from case and remove any stickers (if applicable) covering the earbuds' charging contacts. Next, place the earbuds back in the case then remove from case. This will activate earbuds.

***To turn on***, place earbuds into the case then remove from case. ***To turn off***, place the earbuds into the case.

If the LEDs do not turn on when the earbuds are removed from the case, charge the case then try again. In the event that the earbuds do not pair together, perform the Manual Reset function.

- 🎙 Voice Assistant

### Press Twice:

- ▶▶ Next Track (Right Earbud)
- ◀◀ Previous Track (Left Earbud)

---

*\*To use a phone's voice assistant, you must have a phone that is compatible.*

*\*Your wireless earbuds will not work with your phone's voice assistant if the assistant is not first enabled within the settings on the phone. For more information, see your phone's user manual.*

*\*You must be within Bluetooth® range to use your phone's voice assistant via your wireless earbuds.*

**Manual Reset**

Only do this function when experiencing issues that are not solved by simply turning the earbuds On and Off/ placing them back into the case.

1. Disconnect the earbuds from your phone.
2. Put both earbuds into the charging case.
3. Press the button touch area five times for both earbuds at the same time to clear pairing record.
4. Take the earbuds out of the charging case and pair with device.

**FCC ID:2ALHZT41**

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Warning:** Changes or modifications to this unit not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment

**FCC Radiation Exposure Statement**

The device has been evaluated to meet general RF exposure requirement

The device can be used in portable exposure condition without restriction
