

Dear Axel,

As requested, attached please find the RFx exhibit (MPE report) for FCC ID: 2ALLJ-EDGE01 (TC202715). Upon receiving FCC approval of the report, I will upload it to the application in the FCC system.

Please let us know if this is sufficient to address your concerns. If it is not, please let us know the details of your issue(s), and we will ask the applicant/lab to address them.
