

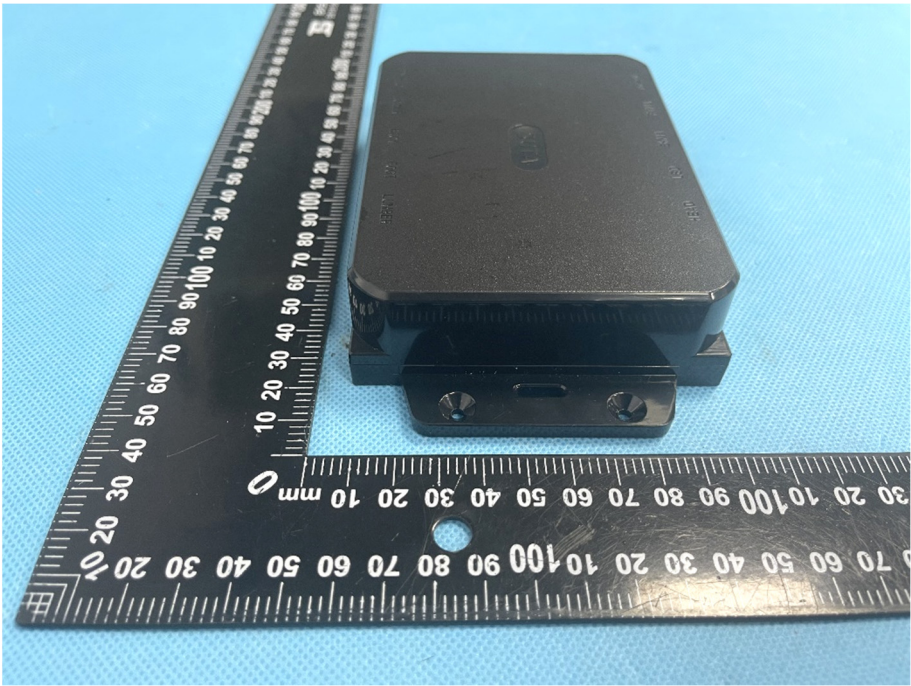

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

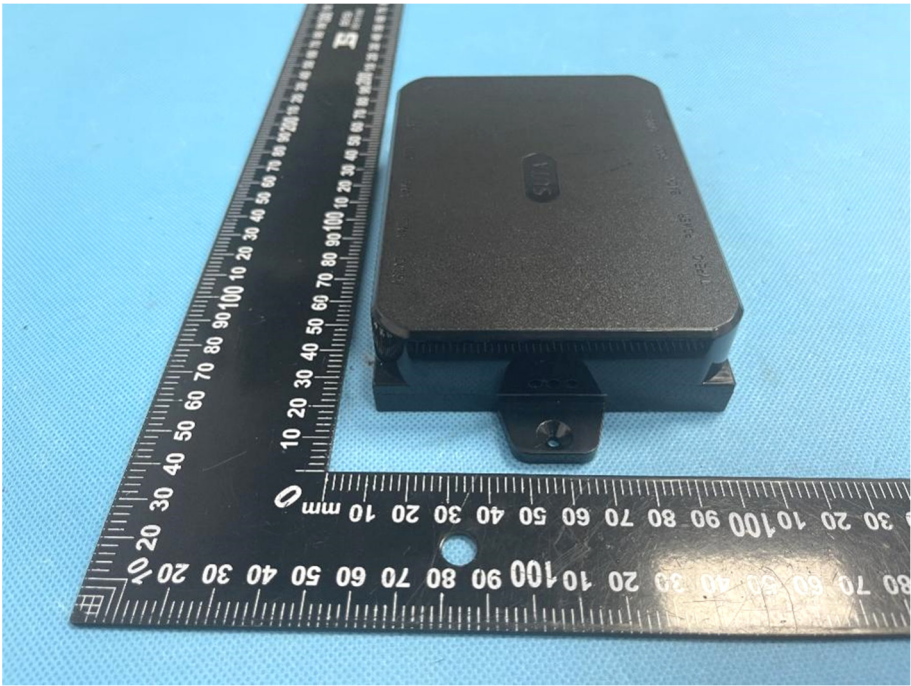

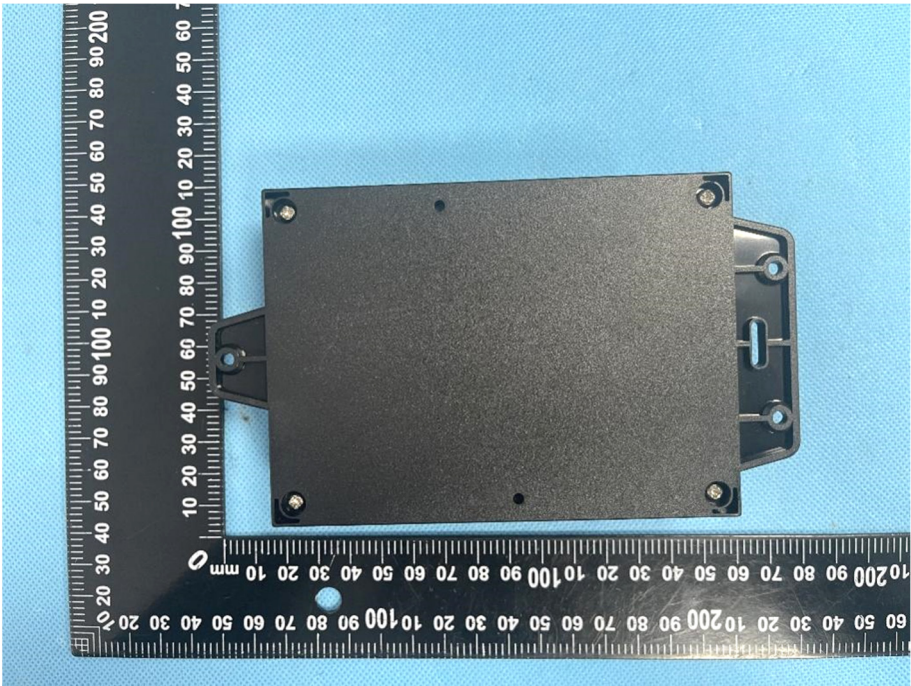

EUT View 1

EUT View 2

EUT View 3	 A black rectangular electronic device is shown from a top-down perspective. It is positioned next to a black L-shaped ruler for scale. The ruler has white markings in millimeters and centimeters. The device has a small, dark, rectangular label on its top surface. The background is a light blue textured surface.
EUT View 4	 A black rectangular electronic device is shown from a bottom-up perspective. It is positioned next to a black L-shaped ruler for scale. The ruler has white markings in millimeters and centimeters. The device has a small, dark, rectangular label on its bottom surface. The background is a light blue textured surface.

EUT View 5	 A black rectangular electronic component is shown from a top-down perspective. It has a small, dark, rectangular protrusion on its bottom edge. The component is placed on a light blue textured surface next to a black ruler with white markings. The ruler shows a scale from 0 to 100 mm.
EUT View 6	 A black rectangular electronic component is shown from a side perspective. It has four mounting holes (two on the left, two on the right) and a connector on the right side. The component is placed on a light blue textured surface next to a black ruler with white markings. The ruler shows a scale from 0 to 100 mm.
