

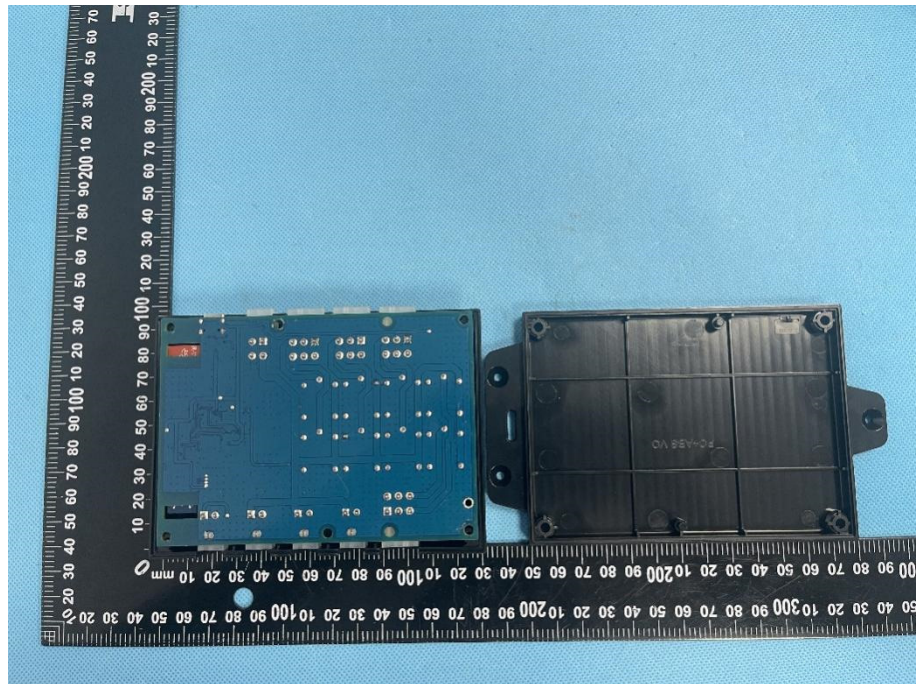

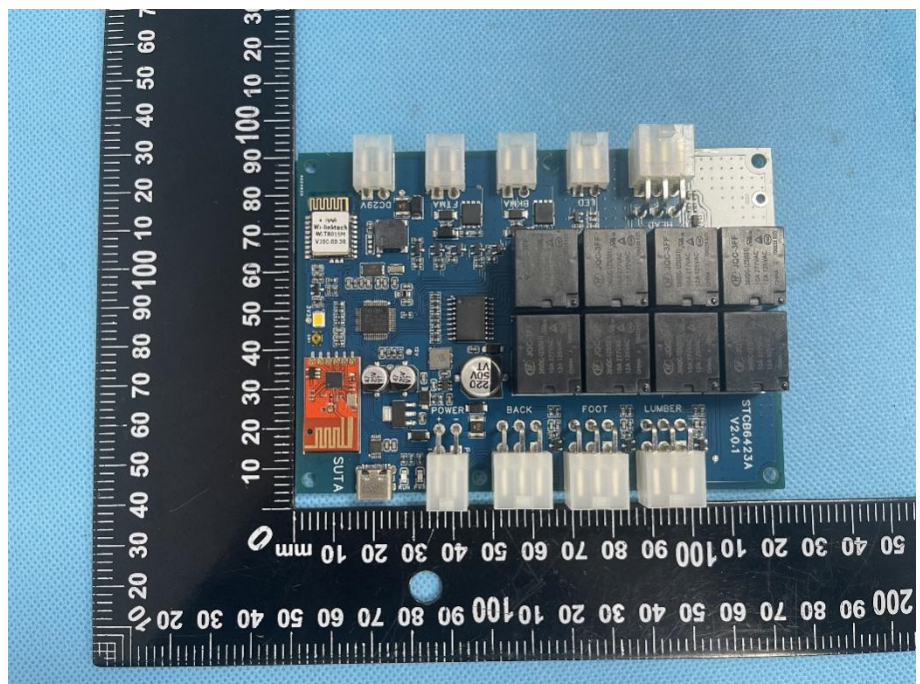

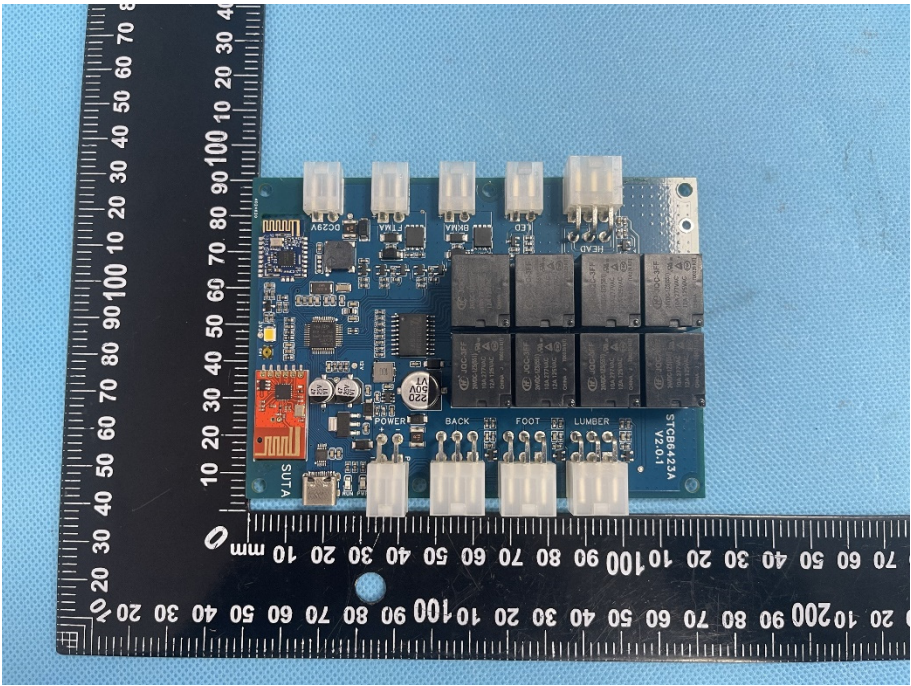

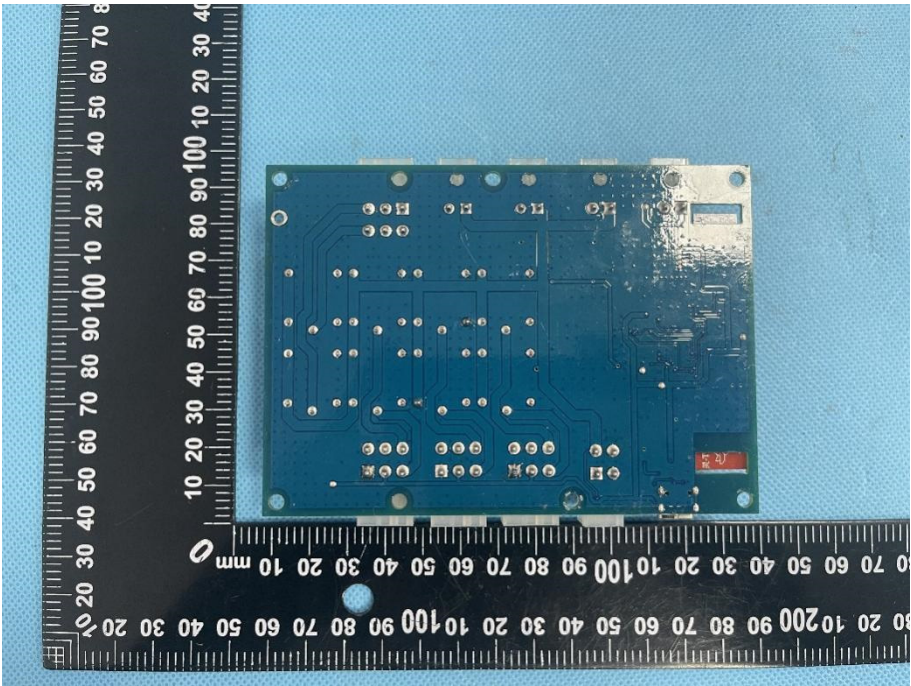

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

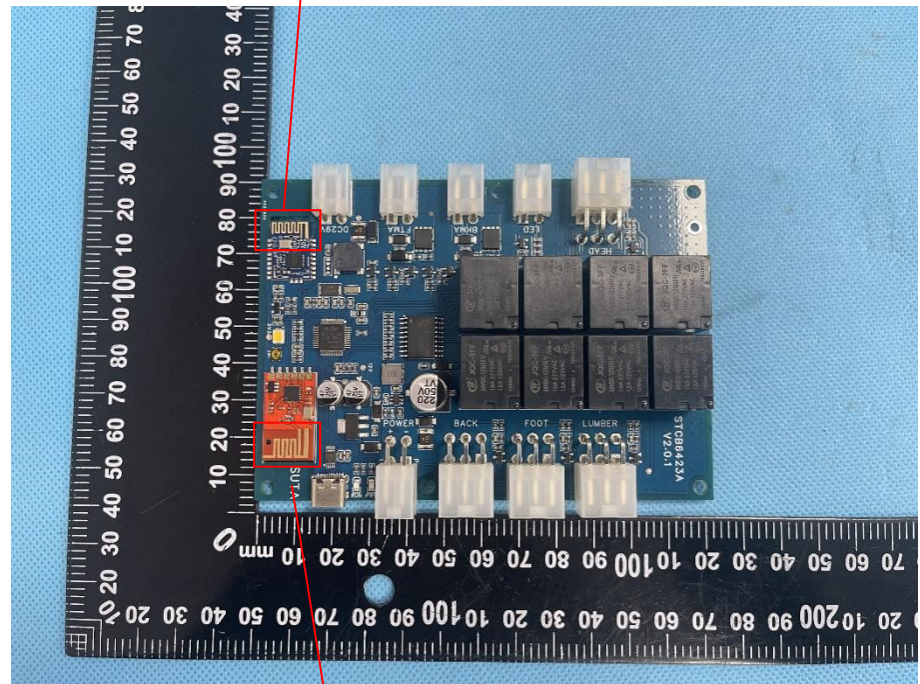

**EUT Housing and
Board View 2**

Solder Board-Component View 1	 A top-down photograph of a blue printed circuit board (PCB) assembly. The board is populated with various electronic components, including several large black integrated circuits (ICs) arranged in a 2x4 grid, a smaller red IC, and numerous surface-mount components. Five white plastic connectors are visible along the top edge. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows dimensions from 0 to 100 mm.
Solder Board-Component View 2	 A bottom-up photograph of the same blue PCB assembly. This view shows the reverse side of the board, featuring a grid of solder pads and through-hole connections. A small red component is visible near the bottom right corner. The board is positioned next to the same black ruler with white markings, showing dimensions from 0 to 100 mm.
