(1) PRODUCT(S) STORAGE AND MAINTENANCE

Please read the Product(s) storage and maintenance guidelines carefully. The Product(s) may present a risk of fire, chemical burn, or explosion if mistreated.

DAMAGE

- DO NOT impact the Product(s). This may cause damage to the Product(s) that could result in malfunctioning. Such examples include, but are not limited to:
 - DO NOT scratch or stab the Product(s) with sharp objects.
 - DO NOT drop the Product(s).
 - DO NOT apply unusual stress to the speaker(s).

(2) PRODUCT(S) USAGE

Please read the Product(s) usage guidelines carefully. Inappropriate usage of the Product(s) may cause personal injury or damage to the Product(s).

REPLACEMENT/MODIFICATION

- DO NOT attempt to replace or modify the Product(s). This may cause short circuits that could result in a fire, or electric shock. Such examples include, but are not limited to:
 - DO NOT attempt to replace the built-in-battery.
 - DO NOT attempt to repair/disassemble the Product(s).

MOISTURE/TEMPERATURE

- DO NOT expose the Product(s) under extreme conditions. Such examples include, but are not limited to:
 - Keep the Product(s) between 0°C ~ 45°C (32°F ~ 113°F). The Product(s) may not work temporarily in hot or cold environment even when the battery is fully charged.
 - Keep the Product(s) away from extreme heat such as, microwave, stove, etc.
 - DO NOT keep the Product(s) under direct sunlight.
 - DO NOT keep the Product(s) in motor vehicles or enclosed areas under extreme temperatures.

- DO NOT keep/use/submerge the Product(s) in water. Such examples include, but are not limited to:
 - Keep the Product(s) away from rain, moisture, or other liquid. The Product(s) are sweat resistant, but are not waterproof.
 - DO NOT keep or use the Product(s) in humid areas.
 - DO NOT keep or use the Product(s) while swimming or taking a shower.

WARNING

BATTERY/CHARGING

- Recommend using a micro 5pin USB cable provided with the Product(s) and a 5V-1A charger.
- The Product(s) must be charged under supervision.
- If the Product(s) are left unused for a long period, please recharge fully before using the Product(s) again.
- DO NOT charge the Product(s) IMMEDIATELY after physical activities. Sweat inside the charging port may cause circuits burning while charging. Keep the charging port dry before connecting to the charger.
- DO NOT touch the Product(s) with wet hands while charging.

GENERAL

- Clean the Product(s) only with a soft dry cloth.
- Dispose the Product(s) according to local standards and regulations.
- Keep the Product(s) out of reach from children/pets. The Product(s) contain the parts that may be hazardous to children/pets.

DAMAGE

- DO NOT impact the Product(s). This may cause damage to the Product(s) that could result in malfunctioning. Such examples include, but are not limited to:
 - DO NOT scratch or stab the Product(s) with sharp objects.
 - DO NOT drop the Product(s).
 - DO NOT apply unusual stress to the speaker(s).

ATTENTION

- Usage of the Product(s) will impair your ability to fully hear, or see. Be cautious while engaging in any activity that requires your full attention. Such examples include, but are not limited to:
 - DO NOT attempt to replace the built-in-battery.
 - DO NOT wear while driving if the Product(s) impair peripheral vision.
 - Usage of colored lenses at night may be inappropriate.

HEALTH

- DO NOT use sharpened/destroyed/damaged parts or the Product(s) as it may present a danger. Please contact ZUNGL for support.
- Listening with the Product(s) at high volume may affect your hearing, which may result in permanent damage to your hearing without any noticeable discomfort.
- DO NOT use the Product(s) for direct viewing of the sun or for protection against artificial light sources as it may affect your vision.
- If you experience discomfort, headache, dizziness, or ringing in your ears, IMMEDIATELY discontinue using the Product(s).
- Under any medical conditions, please consult your doctor prior to usage. Such examples include, but are not limited to:
 - Patients with any electrical medical devices such as pacemaker and hearing aid.
 - Patients with cupulolithiasis.

BATTERY/CHARGING

GENERAL

- If the Product(s) overheats, IMMEDIATELY discontinue using the Product(s).
- DO NOT use The Product(s) for protective purpose.
- The Product(s) must be charged under supervision.
- If the Product(s) are left unused for a long period, please recharge fully before using the Product(s) again.
- DO NOT charge the Product(s) IMMEDIATELY after physical activities. Sweat inside the charging port may cause circuits burning while charging. Keep the charging port dry before connecting to the charger.
- DO NOT touch the Product(s) with wet hands while charging.
