New FCC ID application based on FCC ID: UYW-428-0011

I hereby request a new FCC ID, 2ALU7-428-0013, for the MDA-5H based on the Iris SO 428-0011, FCC ID UYW-428-001.

The MDA-5H 428-0013 differs from Iris SO 428-0011 only in branding, it's features, functionality and performance are the same. The branding extends to the front panel label and the covers on the product manual, nothing else is different. Therefore, all the test results and reports provided with the original application for the Iris SO 428-0011 apply equally to the MDA-5H 428-0013.

This letter is permission from SRT Marine Systems plc Ltd for an application to be made for a new FCC ID for the MDA-5H 428-0013 based on the grant for the Iris SO 428-0011, FCC ID UYW-428-0011, and using the reports provided as part of that original application.

Yours sincerely,

Phil Pittaway

Quality Assurance Manager, SRT Marine Systems plc
