# Wireless Speaker Tumbler

Bluetooth®

## USER MANUAL

BC

### IMPORTANT NOTES 1

- Please read this manual carefully before use.
- Remove speaker from the tumbler body before washing & drinking.
- Please charge speaker with power adapter (Output: DC5V/1A).
- Charge in full before first use.
- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this device
- This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
- USB Cable included for charging only.

### PRODUCT CONTENTS 2

1 Bluetooth Speaker Tumbler

2 Tritan® Straw

3 Charging base

### CONNECTING YOUR DEVICE 3

- Turn on the Bluetooth speaker for pairing directly by pressing and holding **▶||** or **⏻** for **5 seconds**.
- Turn your Bluetooth device on search mode. Find device titled "Manna BT Speaker" and select.
- Once a connection with media device has been established, the LED indicator will remain blue.
- To disconnect and connect to a new device, press **▶||** or **⏻** twice, the blue light will turn to flashing alternating blue & red lights.

\* Bluetooth automatically turns off after **15 minutes** of no device pairing or no audio streaming when Bluetooth is connected.

### POWER RECHARGING 4.1

**There are 2 ways to charge your speaker:**

1. Connect the USB cable (included) to the wireless magnetic snap charging base (included).

CHARGING BASE TOP VIEW

SPEAKER BOTTOM VIEW

2. To charge internally, flip speaker over and connect USB cable to the charging port located on bottom of speaker.

**Low Power Warning:** When voltage is lower than 3.45V, a voice reminder "Battery Low" will sound and the battery indicator LED will flash red. Leave for at least two hours for full charge.

\*Power adapter not included

<h3>CARE AND SAFETY 9</h3> <ul style="list-style-type: none"> <li>To clean the tumbler, separate the speaker from the body. Clean speaker separately to avoid damage to the speaker.</li> <li>Hand wash recommended for tumbler.</li> <li>To clean speaker, wipe with a damp cloth.</li> <li>Use non-abrasive cleaner.</li> <li>Not for use in freezer or microwave.</li> <li>Always use caution when handling hot liquids.</li> <li>Not intended for soda.</li> </ul>																														

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference.

(2) This device must accept any interference received, including interference that may cause undesired operation.

**NOTE:** This equipment has been tested and found to comply with the limits for a **Class B** digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.
