TMP1_SideA_DWX5045

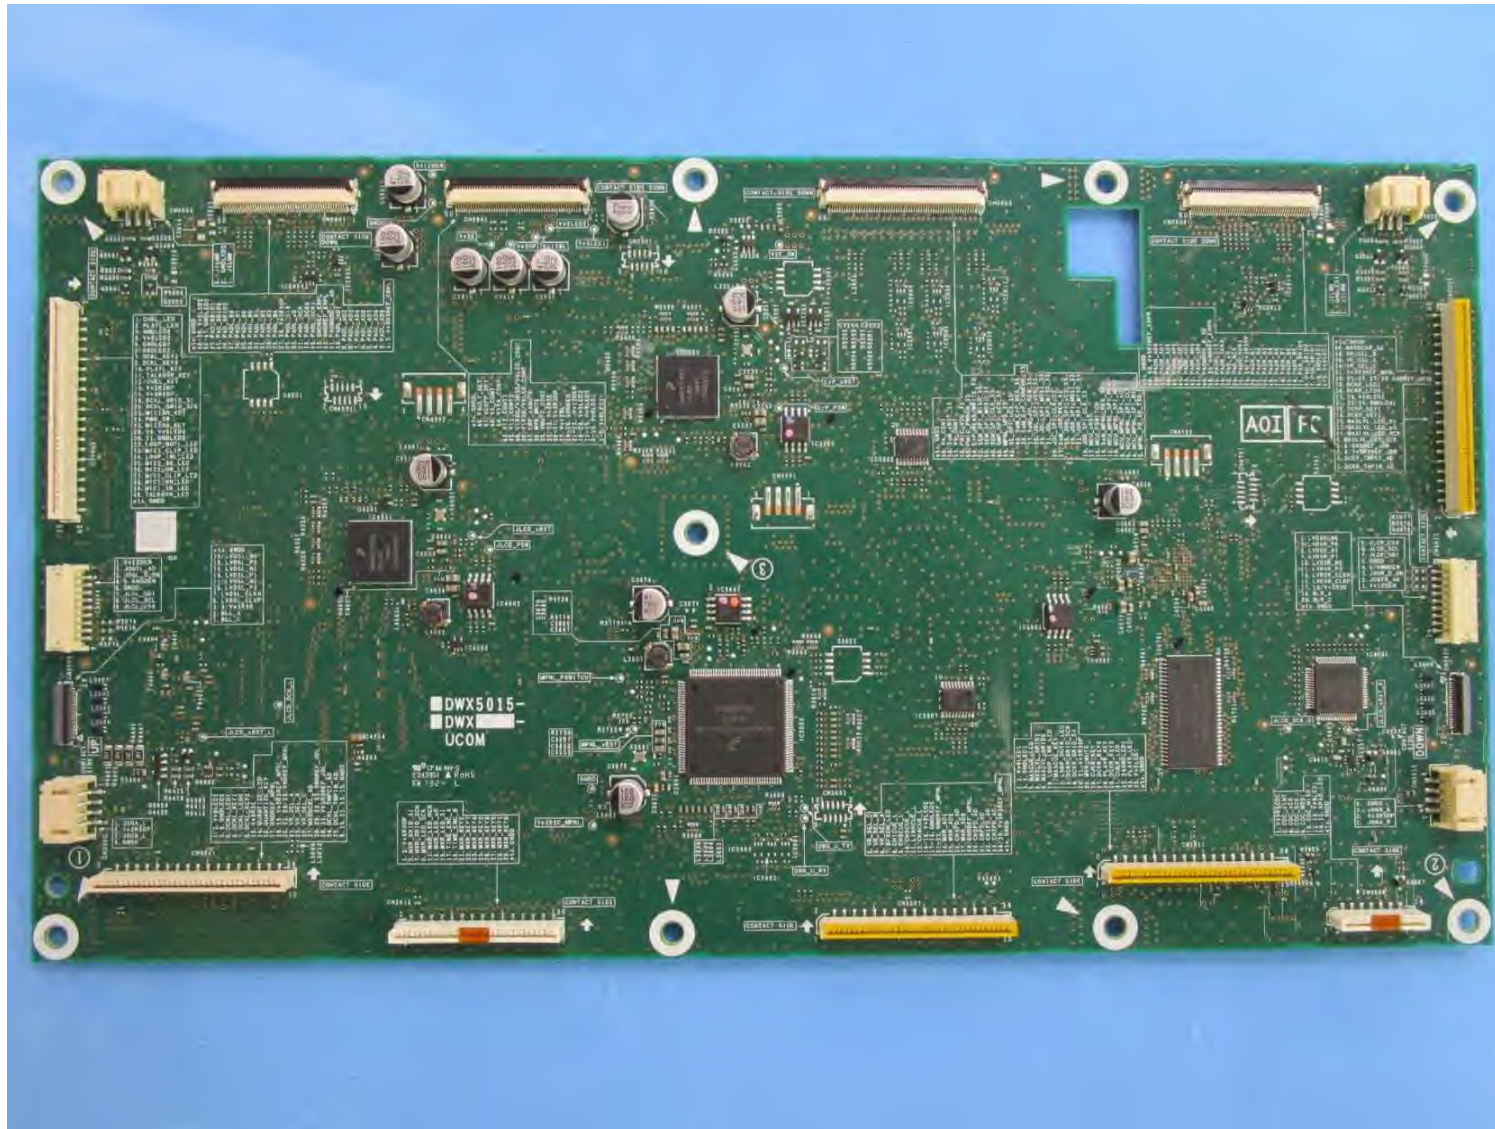

The image shows a green printed circuit board (PCB) with various electronic components and markings. The board is irregularly shaped with several circular mounting holes. It features a large multi-pin connector on the left, a central integrated circuit (IC) labeled 'DWX5045-TMP1', and various resistors and capacitors. Handwritten blue ink markings include '1' and '2' near the connector, and 'b' and 'v' near the IC. Printed labels include 'Per ADJUST', 'ADD SOLDER', 'BEND', and 'DWX5045-TMP1'. A date code '1324' and lot number '18 947-0' are visible on the right side.
