

Package

130

1. Schalten Sie die Bluetooth-Funktion Ihres Handys ein.
2. Schalten Sie sich ein und wechseln Sie automatisch in den Paarungs-Modus. Nach dem Loslassen der Taste muss die Kontrolllampe blau und weiß abwechselnd blinken mit der Stimme "Pairing".

1. Activer la fonction Bluetooth sur votre téléphone.
2. Allumez, il passera automatiquement en mode de couplage. Vous pouvez voir les lumières orange et blanche commencer à clignoter en alternance avec la voix "Pairing".
3. Recherchez les appareils Bluetooth et sélectionnez "Mpow S10 Pro" (entrez le code "0000" si nécessaire).
4. Si l'appariement est réussi, vous entendrez la voix "Connected".

1. Apague el estado; mantenga presionado el botón multifunción durante aproximadamente 5-7 segundos hasta que las luces naranja y blanca empiecen a parpadear alternativamente con la voz "Pairing".
2. El resto va igual que el anterior.

1. Spegner gli auricolari, tenere premuto il tasto multifunzione per circa 5-7 secondi fino a quando l'indicatore arancione e bianca iniziano a lampeggiare alternativamente con la voce "Pairing".
2. Il resto va come sopra.

The diagram shows the back of the device with a vertical switch. A hand is shown pressing the switch. Two callout boxes provide details for each position:

- Power on:** Indicated by a clock icon and the text "LED" next to a blue dot icon. The duration is "1-3s".
- Power off:** Indicated by a clock icon and the text "LED" next to an orange sun icon. The duration is "5-7s".

The diagram shows a vertical USB device with four buttons. From top to bottom, the buttons are: a '+' button, a '-' button, a '0' button, and a '1' button. Dashed lines connect each button to a specific action:

- The '+' button is connected to a right-pointing arrow icon and the text "Hold on (1-2s)".
- The '-' button is connected to a speaker icon and the text "Click Once".
- The '0' button is connected to a speaker icon and the text "Click Once".
- The '1' button is connected to a left-pointing arrow icon and the text "Hold on (1-2s)".

EN At the state of power-on, simultaneously keep pressing the MFB and the volume + button for 5 seconds.

DE Beim Einschalten drücken Sie die MFB-Taste und die Lautstärketeaste gleichzeitig für 5 Sekunden.

FR À l'état sous tension, continuez d'appuyer simultanément sur le MFB et le bouton volume + pendant 5 secondes.

ES En el estado de encendido, mantenga presionados simultáneamente el botón MFB y el botón volumen + durante 5 segundos.

IT Nello stato di accensione, tenere premuti contemporaneamente IMFB e il pulsante volume + per 5 secondi.

Output: DC 5V

LED

⏰ 2H

The diagram shows a vertical LED light strip with a USB-A connector at the top and a USB-C connector at the bottom. A dashed line points from the text 'LED' to the strip. A dashed line points from the text '2H' to the strip. A dashed line points from the text 'Output: DC 5V' to the strip.
