

MODEL : BH437A

LED light

Type-C charging port

MFB (Touch Control)

LED light

Magnetic charging connectors

L/R logo

Talking mic

Mode 1

The diagram shows a closed, oval-shaped device with two circular components inside. A red arrow points to a state where the device is open, revealing two circular components. Above each component is a small LED icon labeled "LED". A red arrow points down to a button labeled "ON".

Mode 2

The diagram shows the same open device. A hand is shown pressing the top of the left component. Above the components are two LED icons labeled "LED" and "2s". A red arrow points down to a button labeled "ON".

Nota: l'auricolare si riconnetterà al dispositivo accoppiato per priorità. Se si desidera associare il secondo smartphone, disabilitare Bluetooth sullo smartphone associato.
