Subject:
FCC Class II Permission Change Request for FCC ID: 2AMK9-CFXBLE-1

Dear Sir/Madam,

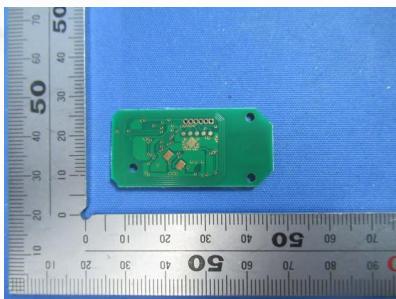

This is to request a Class II Permission Change Request for FCC ID: 2AMK9-CFXBLE- 1, originally granted 2021/08/05.

The Major change filed under this application is to introduce a new product version with different mechanical construction to our existing Confidex Viking™ product family. The Confidex Viking™ Slim (new product marketing name) is identical from PCB, Bluetooth LE radio, antenna, and firmware designs compared to already certified Confidex Viking™ and Confidex Viking™ Tough products.

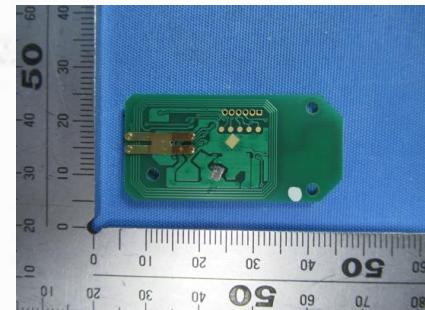

The main differences are these physical modifications:

1. Power supply arrangement with one replaceable battery (CR2477).
2. Different housing to mount new battery arrangement with existing PCB design.

Original:

New:

We guarantee that all the other design is identical.

Confidex Oy
Lumpeenkatu 6
FI-33900 Tampere, Finland
