GUIDE D'INSTALLATION

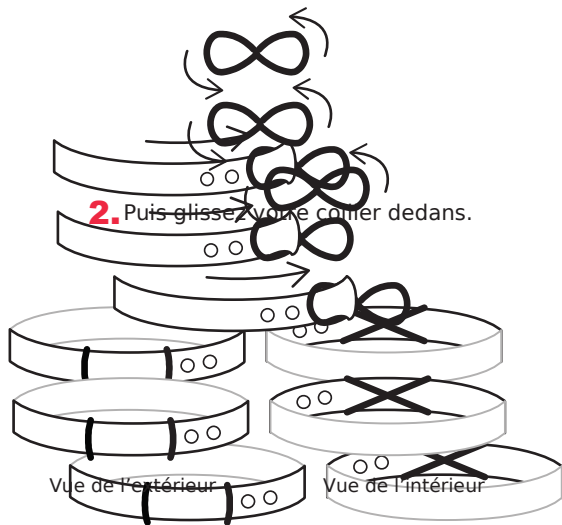

USER GUIDE

POUR COMMENCER

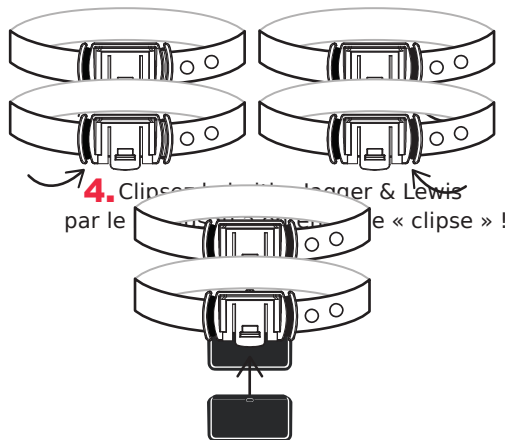

Avant tout, choisissez l'élastique qui convient le mieux à votre collier. Plus votre collier est épais, plus l'élastique devra être grand.

1. Faites un « 8 » avec l'élastique.

2. Puis glissez votre collier dedans.

3. Glissez l'attache plastique fournie entre le collier et l'élastique. Un côté après l'autre...

5. Téléchargez l'application Jagger & Lewis sur

et laissez-vous guider !

RECOMMANDATIONS :

- Nous vous conseillons de placer votre boîtier sous le cou de votre chien pour une utilisation optimale.
- Autonomie de 48h selon la fréquence des mises à jour de vos données.
- Selon votre mode de vie et vos besoins, la souscription à une de nos formules sera nécessaire. Vous pourrez ainsi bénéficier de toutes les fonctionnalités de votre objet connecté et veiller au bien-être de votre chien au quotidien. Plus d'informations sur www.jagger-lewis.com
- Notre produit est garanti 2 ans pour l'Europe, 1 an pour les autres pays.
- Le boîtier Jagger & Lewis est également muni d'une coque en silicone afin de protéger votre objet connecté lors de différentes situations : à la plage, dans un parc, si votre chien aime particulièrement l'eau etc. La coque a été conçue pour protéger votre objet connecté du sable, de l'eau, et de tout autre danger susceptible d'altérer les fonctions de votre objet connecté Jagger & Lewis. La coque de protection Jagger & Lewis est transparente, souple et légère. Elle se fixe et s'enlève très facilement de votre boîtier.

MENTIONS LÉGALES :

JAGGER & LEWIS garantit que le matériel fourni à l'ACHETEUR est exempt de tous vices, conformément aux articles 1641 et suivants du Code civil. En cas de survenance d'un vice caché, l'ACHETEUR en informera JAGGER & LEWIS dans les 30 (trente) jours de la découverte du vice, qui s'entend d'un défaut du matériel le rendant impropre à son usage et non susceptible d'être décelé par l'ACHETEUR avant son utilisation. Un défaut de conception n'est pas un vice caché et l'ACHETEUR est réputé avoir reçu toutes les informations techniques relatives audit matériel. Si le vice caché est avéré, JAGGER & LEWIS procédera dans les 30 (trente) jours de l'information, au choix de l'ACHETEUR, si celui-ci est consommateur au sens de la loi, au remplacement et/ou à la réparation du matériel ou des pièces défectueuses conformément à l'article 1644 du code civil, sans que l'ACHETEUR ne puisse prétendre à l'obtention de dommages et intérêts pour quelque cause que ce soit.

JAGGER & LEWIS garantit le matériel pendant une durée de un (1) an à compter de la date d'achat par l'ACHETEUR contre tout défaut de fabrication et de fonctionnement.

Cette durée de garantie est de deux (2) ans si l'ACHETEUR réside dans l'Union Européenne.

Cette garantie est limitée et valable uniquement dans les juridictions où les produits sont vendus par l'entreprise JAGGER & LEWIS elle-même ou par l'intermédiaire de son revendeur ou agent agréé et est valide dans la mesure permise par les lois applicables de ces juridictions.

Si le défaut est avéré, JAGGER & LEWIS procédera dans les 30 (trente) jours au choix de l'ACHETEUR si celui-ci est consommateur au sens de la loi, au remplacement et/ou à la réparation du matériel ou des pièces défectueuses, sans

que l'ACHETEUR ne puisse prétendre à l'obtention de dommages et intérêts pour quelque cause que ce soit, et sous réserve des conditions de coût prévues par l'article L. 211-9 du code de la consommation. L'ACHETEUR, s'il est consommateur au sens de la loi, est dispensé de rapporter la preuve de l'existence du défaut de conformité du bien durant les six mois suivant la délivrance du bien. Ce délai est porté à vingt-quatre mois en ce qui concerne les produits livrés à compter du 18 mars 2016.

La garantie légale de conformité s'applique indépendamment de la garantie commerciale proposée par le vendeur.

JAGGER & LEWIS attire l'attention de l'ACHETEUR sur le fait que les dysfonctionnements issus de chutes et/ou d'écrasements et/ou détérioration du chien des matériels vendus sont expressément exclus au titre de la présente garantie.

La responsabilité de JAGGER & LEWIS ne pourra pas non plus être recherchée pour toutes détériorations et préjudices provenant de l'usure normale, des causes étrangères aux qualités intrinsèques du matériel, telles que celles résultant d'une utilisation anormale ou du fait de l'ACHETEUR, de l'animal dont l'UTILISATEUR effectif a la maîtrise ou de ses préposés : charge, choc, chute, fausse manœuvre, protection insuffisante contre l'humidité, la chaleur, le gel, des surtensions électriques et atmosphériques transport, manutention ou manipulation non conforme, lorsque ceux-ci ont été effectués par l'ACHETEUR ou un tiers. Les piles et batteries ne sont pas garanties.

Garantie applicable aux SERVICES :

JAGGER & LEWIS garantit qu'il dispose de tous les droits de propriété intellectuelle permettant de conclure le présent contrat et qu'à ce titre, il garantit que les SERVICES fournis en exécution du présent Contrat ne portent atteinte à des droits de tiers et ne constituent pas une contrefaçon d'une œuvre préexistante.

JAGGER & LEWIS ne fait aucune autre garantie expresse ou implicite relativement aux SERVICES, y compris, notamment, toute garantie implicite de qualité marchande ou d'adéquation du SERVICE à un objectif particulier. JAGGER & LEWIS ne garantit pas les résultats des SERVICES et n'est tenu que de l'obligation de moyens envers l'ACHETEUR.

Il n'est pas garanti que les fonctionnalités des SERVICES satisfassent les exigences de l'ACHETEUR.

L'ACHETEUR reconnaît être informé qu'un SERVICE peut contenir des erreurs et que toutes les erreurs ne sont pas économiquement rectifiables ou n'est pas toujours nécessaire de les corriger. JAGGER & LEWIS ne garantit pas en conséquence que l'ensemble des défaillances ou erreurs des SERVICES soit corrigé.

FCC STATEMENTS:

EC declaration of conformity

Jagger & Lewis declares that the UCCFusion complies with the applicable digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the installation manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference, in which case you will be required to correct the interference at your expense.

Information to user (FCC section 15.105)

This equipment has been tested and found to comply with the limits for a class A digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the installation manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference, in which case you will be required to correct the interference at your expense.

Information to user (FCC Section 15.21)

The user is cautioned that any changes or modifications not expressly approved by Jagger & Lewis or authorised representative could void the user's authority to operate equipment.

Special accessories (FCC Section 15.27)

The user is also cautioned that any peripheral device installed with this equipment such as a computer, must be connected via a high-quality shielded cable to ensure compliance with FCC limits.

WEEE: The use of this symbol on Jagger & Lewis products and/or accompanying documentation indicates that the product should not be mixed with general household waste upon disposal. It is the responsibility of the end user to dispose of this product at a designated collection point for waste electrical and electronic equipment (WEEE)

to enable reuse or recycling. Correct disposal of this product will help to save valuable resources and prevent potential negative effects on the environment. For more information, please contact your local waste disposal service or Jagger & Lewis distributor.

Smart Dog Device

Model : SYS-B65-J&L/W/R/B

FCC ID : 2AMKG-JL1PETDEVICE

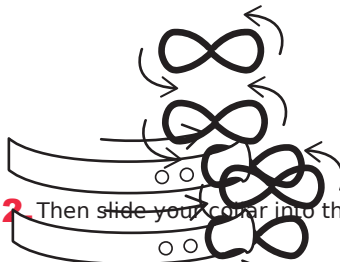

This device complies with Part 15 of the FCC rules subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept all interference received, including interference that may cause undesired operation.

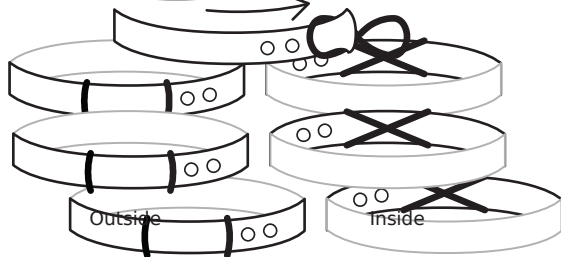

GETTING STARTED

First, choose the rubber band that works best with your collar. The thicker the collar, the bigger the rubber band will have to be.

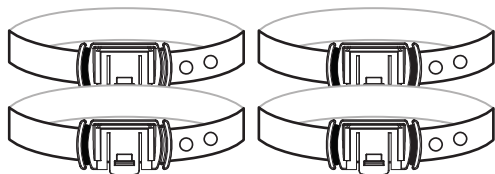

1. Make a figure-eight with the rubber band

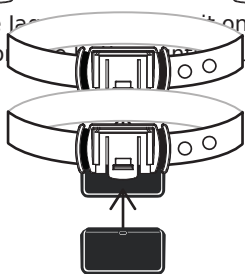

2. Then slide your collar into the two loops.

3. Slide the attachment piece between the collar and the rubber band, one side at a time.

4. Slide the attachment piece onto the attachment piece from the collar until you hear a "click."

5. Download the Jagger & Lewis application

and follow the instructions!

RECOMMENDATIONS:

- For the best results, we recommend that you place the unit on the underside of your dog's neck.
- Up to 48 hours of battery life, depending on how often you upload data.
- Depending on your lifestyle and needs, you may need to subscribe to one of our tracker plans. These plans allow you to take advantage of all of the smart collar's features and regularly track your dog's well-being.
- Our product comes with a two-year warranty for Europe and one year for others countries.
- The Jagger & Lewis unit also includes a silicone case to protect it in sorts of situations: at the beach, at the park, if your dog is particular fond of water, etc. The case was designed to protect the smart collar unit against sand, water, and anything else that might damage the Jagger & Lewis smart collar. The Jagger & Lewis protective case is transparent, flexible, and lightweight. It is very easy to put on and take off of your smart collar unit.

WARRANTY CONDITIONS:

Jagger & Lewis guarantees that the items provided to the Buyer are free of any defects, in accordance with Articles 1641 et seq. of the French Civil Code. Should a latent defect appear, the Buyer shall inform Jagger & Lewis within thirty (30) days of discovering said defect. A latent defect is understood to mean a defect in the item that renders said item unfit for usage and which could not have been detected by the Buyer before using the item. A design flaw is not a latent defect and the Buyer is considered to have received all technical information relating to the aforementioned items. If there is shown to be a latent defect, within thirty days of receiving notice, Jagger & Lewis shall replace and/or repair the defective parts or items, as per the choice of the Buyer, if that person is a consumer as defined by French law; this is in accordance with Article 1644 of the French Civil Code. Under these conditions, the Buyer may not claim any damages for any reason.

Jagger & Lewis guarantees the items against any manufacturing or functional defects for one (1) year from the date of purchase by the Buyer. The duration of this warranty shall be for two (2) years if the Buyer resides in the European Union.

This warranty is limited and is valid only in jurisdictions where the products are sold by the company Jagger & Lewis itself or by its approved agent or reseller. The warranty is valid as permitted by applicable laws in said jurisdictions. If there is found to be a defect, Jagger & Lewis shall replace and/or repair the defective parts or items, as per the choice of the Buyer, if that person is a consumer as defined by French law; under these conditions, the Buyer may not claim any damages for any reason. These provisions are subject to the conditions set forth in Article L. 211-9 of the French Consumer Code. The Buyer, if they are a consumer as defined by French law, is exempt from providing proof of the existence of the defect in the item during the six-month period following

receipt of the item. This period is extended to twenty-four (24) months for products received on or after March 18, 2016.

The legal guarantee of conformity applies independently from the commercial warranty offered by the vendor.

Jagger & Lewis would like to draw the attention of the Buyer to the fact that malfunctions caused by falls and/or crushing of the items sold, and/or by damage caused by the dog, are expressly excluded from this warranty.

Jagger & Lewis cannot be held liable for any damage or harm from normal wear and tear or from sources unrelated to the intrinsic qualities of the items, such as those resulting from abnormal usage or caused by the Buyer, by the animal owned by the Buyer or by the actual User of the items, or by the agents or said persons. Said sources of damage, when caused by the Buyer or by a third party, include subjecting the products to weight, impacts, dropping, or improper handling; insufficient protection against humidity, heat, freezing, or the effects of overvoltage, including of atmospheric origin; and improper transportation, handling, or assembly.

The batteries are not guaranteed.

Warranty applicable to Services:

Jagger & Lewis guarantees that it holds all intellectual property rights necessary for entering into this contract. As such, Jagger & Lewis guarantees that the Services provided in performance of this Contract do not violate the rights of third parties and do not constitute infringement of intellectual property rights held over pre-existing works.

Jagger & Lewis does not make any other express or implicit warranties relating to the Services, including, notably, any implicit guarantee of the merchantability of the Service or of its suitability for a particular objective. Jagger & Lewis does not guarantee the results of the Services and is not held to any obligation to the Buyer other than its best endeavors.

It is not guaranteed that the functions of the Services will satisfy the requirements of the Buyer.

The Buyer recognizes that they have been informed that a Service may include errors, that any errors cannot be financially compensated, and that it is not always necessary to correct said errors. As such, Jagger & Lewis does not guarantee that all defects or errors in Services will be corrected.
