

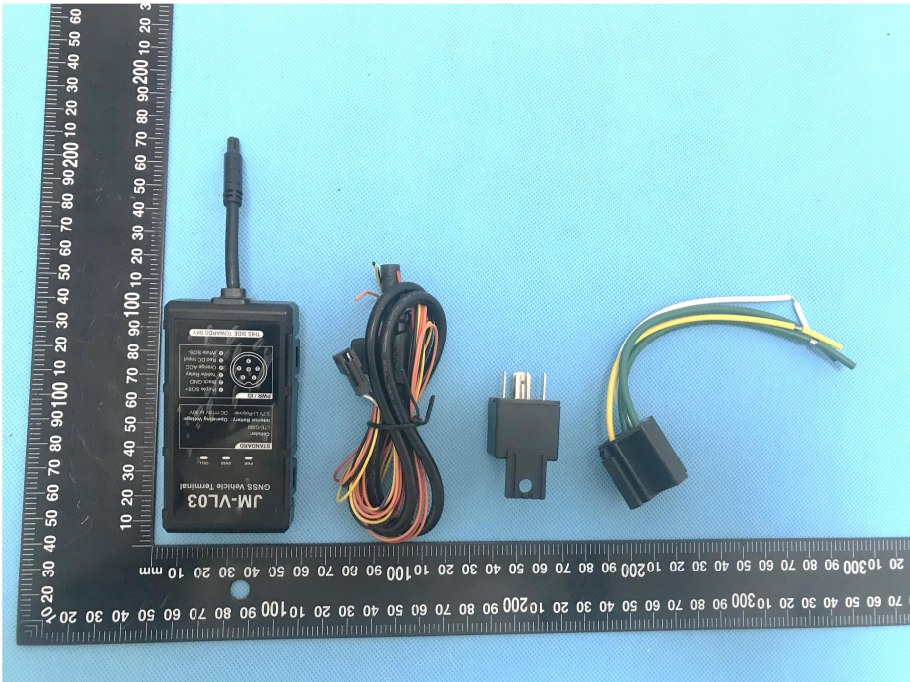

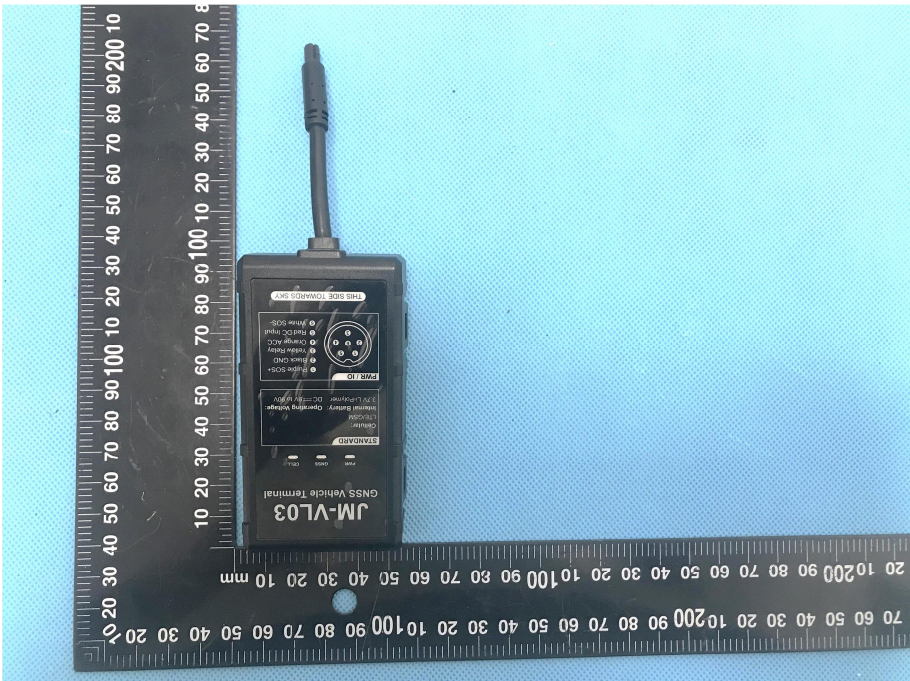

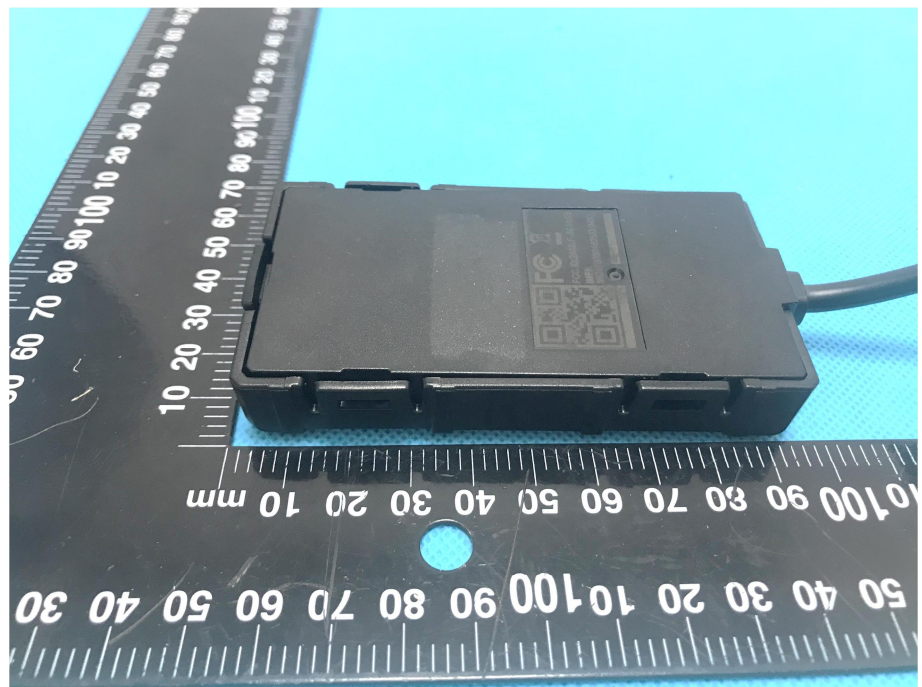

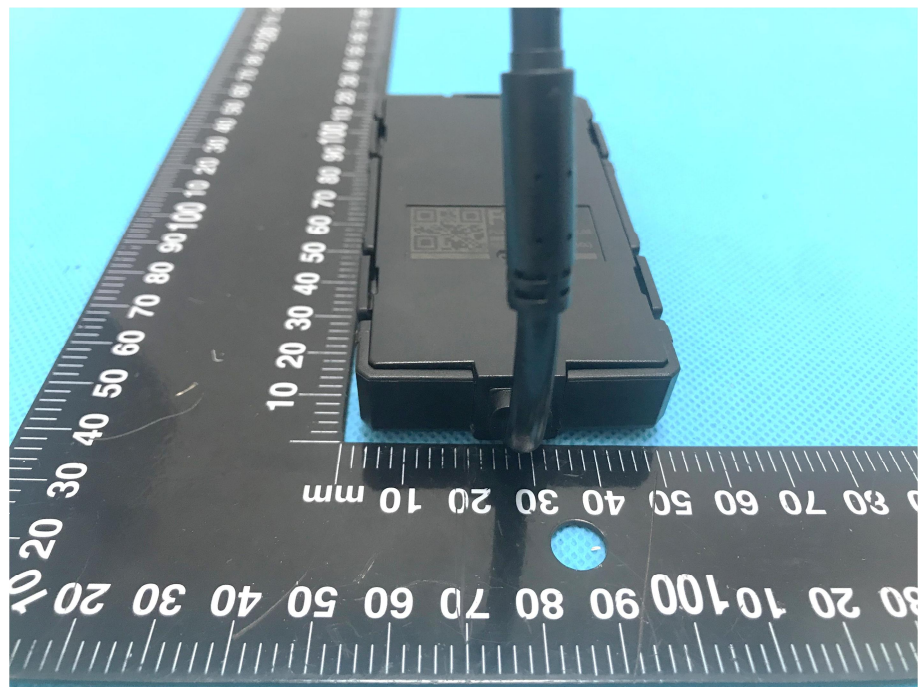

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the EUT (JM-VL03) and its accessories. The device is a black rectangular unit with a label that reads "JM-VL03 GNSS Vehicle Terminal". It has a small antenna on top and a connector on the side. Next to it are two cables: one with multiple colored wires (red, yellow, green, blue, black) and a black connector, and another with a black connector. A ruler is placed below the device and cables for scale.
EUT View 2	 A close-up photograph of the EUT (JM-VL03) next to a ruler. The device is a black rectangular unit with a label that reads "JM-VL03 GNSS Vehicle Terminal". It has a small antenna on top and a connector on the side. A ruler is placed below the device for scale.
