Reuse of test reports of FCC ID: U90-SM200 for new Certification

Dear Examiner,

We, Nidec Motor Corporation., would like to apply for a new FCC ID: 2AMLK-FY01 for our device (Vibration and Temperature Sensor) which contains a Radio Module which is certified as a Modular Transmitter under the FCC ID: U90-SM200

Herewith we ask permission to re-use exhibits which were provided for the Modular Approval of the FCC ID: U90-SM200 as follows:

Date of Grant: 2012-07-17

SNAP report 11-0216.W06.1A, issue date: 2012-06-13

The Radio module is integrated in the host system without any modification. Therefore, only Product level radiated spurious emission tests were performed and submitted with test report no: 19660322 001.

Sincerely,

SEKAR RATHINAM

Program Manager
