

# smART PIXELATOR™

Use smART  
technology to  
pixelate any  
design.

Free App includes  
assembly instructions

**smART  
PIXELATOR™**

Use smART technology to pixelate any design.

smART Pixelator lets you use  
smART Pixel Beads and the  
preloaded SD card to create up to  
6 designs right out of the box.  
Innovative light technology shows  
you where to place every smART Pixel.

smART Pixels and  
light-focused  
technology encourage  
**STEAM** learning  
and **creativity**.

Turn your 2D designs into 3D  
creations using interlocking pieces.

encourages  
**STEAM**  
learning

**smART  
PIXELATOR™**

Use smART technology to pixelate any design.

Pixelate this!

Create that!
