

! If using a phone case, ensure it is Qi2 or MagSafe compatible, or your phone will not properly attach or charge.

! Si vous utilisez un étui pour téléphone, assurez-vous qu'il est compatible avec Qi2 ou MagSafe, sinon votre téléphone ne pourra pas se fixer ou se charger correctement.

! Se utilizzi una custodia per il telefono, assicurati che sia compatibile con Qi2 o MagSafe, in caso contrario il tuo telefono non si aggancerà né caricherà correttamente.

! Wenn Sie eine Handyhülle verwenden, vergewissern Sie sich, dass es Qi2- oder MagSafe-kompatibel ist, da Ihr Handy sonst nicht ordnungsgemäß angeschlossen oder aufgeladen werden kann.

! Si usa un iPhone con funda, asegúrese de que sea compatible con Qi2 o MagSafe de lo contrario, el teléfono no se fijará ni cargará.

Quick Start Guide

Velox Mini Qi2 Wireless Air Vent Mount

iottie

Product Installation

Installation du produit · Installazione del prodotto ·
Produktinstallation · Instalación del producto

1

Slide the prongs of the Velox onto your vehicle's air vent blades.

Faites glisser les griffes du Velox sur les lamelles de la bouche d'aération de votre véhicule.

Fai scivolare la clip del Velox sulle alette della bocchetta dell'aria del tuo veicolo.

Schieben Sie die Haken des Velox auf die Lüftungsschlitze Ihres Fahrzeugs.

Deslice las puntas del Velox en las cuchillas de ventilación de su vehículo.

2

Connect the USB-C cable to your vehicle's USB-C port or auxiliary power outlet via a 10W adapter (not included).

Connectez le câble USB-C au port USB-C de votre véhicule ou à la prise d'alimentation auxiliaire via un chargeur de voiture (non inclus).

Collega il cavo USB-C alla porta USB-C del tuo veicolo o alla presa di alimentazione ausiliaria tramite un caricabatteria per auto (non incluso).

Verbinden Sie das USB-C-Kabel über ein Autoladegerät (nicht im Lieferumfang enthalten) mit dem USB-C-Anschluss oder der Zusatzsteckdose Ihres Fahrzeugs.

Conecte el cable USB-C al puerto USB-C de su vehículo o toma de corriente auxiliar a través de un cargador de automóvil (no incluye).

3

Tap your phone against the mount face. Charging will begin automatically.

Tapez votre téléphone contre la face du support de téléphone. Le chargement démarre automatiquement.

Avvicina il tuo telefono alla superficie del supporto. La ricarica comincerà automaticamente.

Tippen Sie Ihr Telefon gegen die Oberfläche der Halterung. Das kabellose Laden beginnt automatisch.

Coloque su teléfono contra la cara del soporte. La carga inalámbrica comenzará de forma automática.

QI2-CERTIFIED & MAGSAFE COMPATIBLE

EN Only compatible with Qi2-enabled devices and MagSafe series iPhones and cases.

FR Uniquement compatible avec les appareils compatibles Qi2 et les iPhones et étuis de la série MagSafe. **IT** Compatibile solo con dispositivi abilitati Qi2 e iPhone e custodie della serie MagSafe. **DE** Nur kompatibel mit Qi2-zfähigen Geräten und iPhones und Hüllen der MagSafe-Serie. **ES** Solo compatible con dispositivos habilitados para Qi2 y iPhones y fundas de la serie MagSafe.

Declaration of Conformity (FCC)

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. You can refer to the following completed FCC warnings.

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference.
- 2) This device must accept any interference received, including interference that may cause undesired operation.

Note

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This equipment should be installed and operated with minimum distance 15cm between the radiator & your body.

IC warning statements:

-English Warning Statement:

RSS-GEN ISSUE 5, 8.4 User manual notice

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's license exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference.
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

The digital apparatus complies with Canadian CAN ICES-3 (B)/NMB-3(B).

-French Warning Statement:

RSS - Gen version 5, 8.4 avis du manuel de l'utilisateur

Cet appareil contient un émetteur / récepteur sans licence conforme au RSS sans licence d'innovation, science et développement économique Canada. L'opération doit satisfaire aux deux conditions suivantes:

Cet équipement peut ne pas causer d'interférence.

L'équipement doit accepter toute interférence, y compris toute interférence qui pourrait entraîner un fonctionnement indésirable de l'équipement.

This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment and meets RSS-102 of the IC radio frequency (RF) Exposure rules. This equipment has very low levels of RF energy that are deemed to comply without testing of specific absorption ratio (SAR).

Cet équipement est conforme aux limites d'exposition aux rayonnements énoncées pour un environnement non contrôlé et respecte les règles d'exposition aux fréquences radioélectriques (RF) CNR-102 de l'IC. Cet équipement émet une énergie RF très faible qui est considérée conforme sans évaluation du débit d'absorption spécifique (DAS).

This equipment should be installed and operated with minimum distance 0cm between the radiator & your body.

Lors de l'installation et du fonctionnement de cet équipement, la distance minimale entre le radiateur et le corps doit être de 0 cm.
