

RackEye S-02-02-0002
FCC: 2AMYT-RACKEYE001
Contains FCC ID: QQQBGM113
IC: 23148-RACKEYE001
Contains IC ID: 5123A-BGM113

The FCC/IC label will be fixed to the rear of the Rackeye device. This position is permanently part of the RackEye device and is visible without dissassembly.

The Label will be printed indelibly and laminated to prevent wear.
The Label will use permanent adhesive to prevent removal.

The label will be fitted to the RackEye at the end of the production line and will be automatically printed for each part in order to maintain quality standards.
The Rackeye will be visually inspected to make sure that all devices are labelled correctly.
