

FCC Change in ID Statement

FCC ID: 2AN5Z - 002R1

To the certification reviewer:

Altair semiconductors state that there is no change in the design, circuitry, or construction, and the original test results continue to be representative of and applicable to the equipment.

There are no change in the module except changing the label name.

The HW and the SW are identical.

Sincerely,

Alon Kostianovsky

RF group manager

Altair Semiconductors
