Application Cover Letter

Change in identification of equipment

To whom it may concern

This letter is a request for a new application for certification for a change in the FCC Identifier for equipment without a change in design, circuitry or construction.

Current FCC Certification:

Company Name: Microsensys

FCC ID: ZLCPENSOLIDUFX

Grant Date: 07/06/2017

New FCC Application:

Company Name: DMM International

Grantee Code: 2ANJU

FCC ID: 2ANJUIDREADERUS

There is no difference between the originally identified equipment and the equipment bearing the modified identification.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Yours,

Robert Partridge
Product Manager
