

**4UL 2 4 2019**

Mr. Andy Leimer  
Federal Communications Commission 7435 Oakland Mills Road Columbia, MD 21046

Dear Mr. Leimer:

The Federal Aviation Administration, Spectrum Engineering Services Group received the Echodyne MESA-SSR notification letter of its filing with the Federal Communications Commission (FCC). The application is for certification of the Echodyne MESA-SSR with FCC ID: 2ANLB-MESASSR00053.

We have completed the review process of the information submitted by Echodyne. We have concluded that we have no objection to the FCC granting certification for this equipment operating in accordance with the FCC Waiver for this equipment (DA 19-556).

Please be aware that safety of life radionavigation equipment operates in the 24.45-24.65 GHz band and operation of this equipment is on a secondary basis to the radionavigation equipment. Also, be aware that this equipment will be licensed only on a site-specific basis.

If you require any additional information, please contact Mr. Michael Weiler, Acting Group Manager, Spectrum Engineering Services Group, at (202) 267-0685 or Mr. Jae Shin, Electronics Engineer, Spectrum Planning and International Team, at (202) 267-7365 or via e-mail [jae.w.shin@faa.gov](mailto:jae.w.shin@faa.gov).

James D. Linney :or.  
Direct Operations Support

Sincerely,
