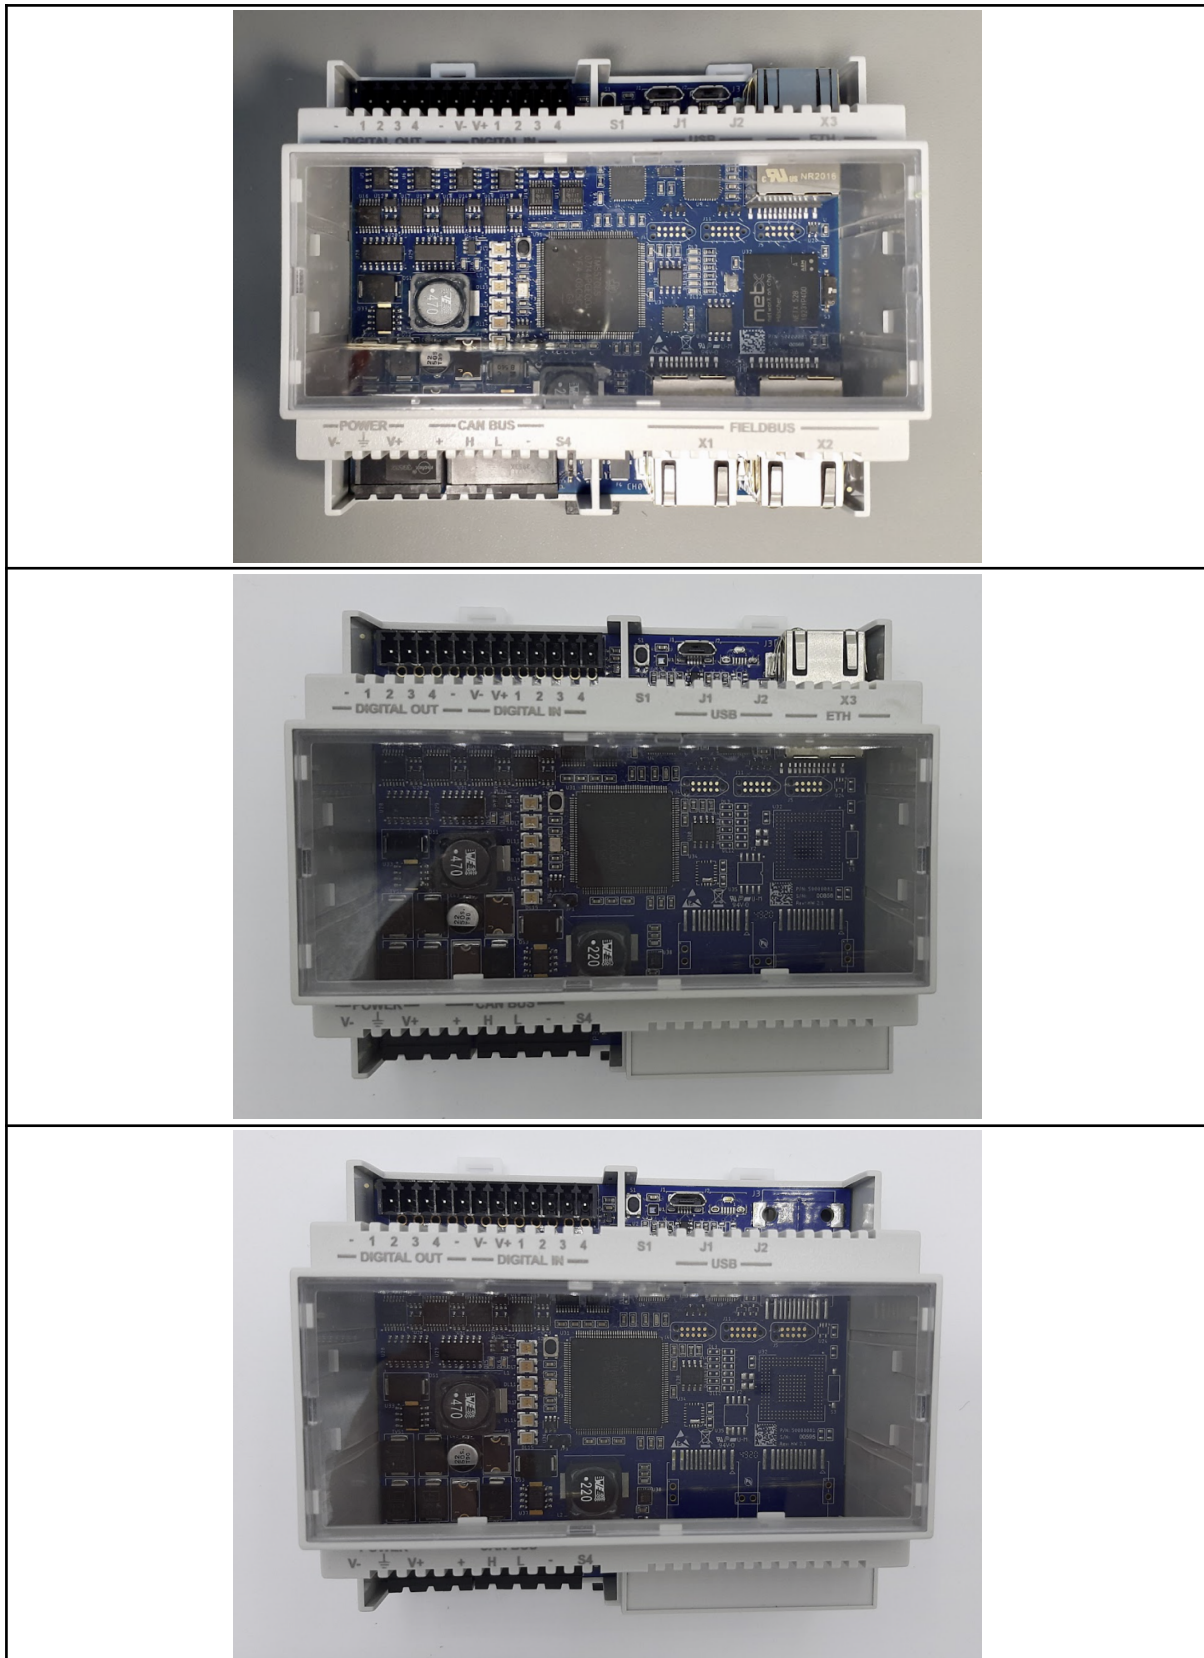

Figure 1: Front view of ISC-B01 (top image), ISC-02 (middle image) and ISC-03 (bottom image). Images are different because the board is visible through the transparent lid and ISC-02 and ISC-03 are less populated than ISC-B01.

Figure 2: Back view of ISC-B01, ISC-02 and ISC-03. The back view of the three versions is the same (the same plastic enclosure) and only a single image is shown.

Figure 3: Side view of ISC-B01, ISC-02 and ISC-03. The side view of the three versions is the same (the same plastic enclosure) and only a single image is shown.
