

The image displays two views of a black, rectangular electronic device, possibly a portable power supply or a specialized interface unit. The top view shows the device's top surface, which features a central recessed area with a white label that reads "LABEL LOCATION". To the right of this area, there is a USB Type-A port. The bottom view shows the device's bottom surface, which has a large, hexagonal-shaped cutout in the center. The device is connected to a black cable with a silver-colored connector. The device is resting on a light-colored wooden surface.
