release 1

Product Iokiwi Description

1 PCBA
1 Casing
3 AAA primary batteries (internal primary AAA batteries)
4 battery contacts
2 wires
0 – Batteries
Requires 3x 1.5V “AAA” or LR03 size batteries.
(Alkaline batteries recommended.)

CAUTION:

- ❖ As with all small items, these batteries should be kept away from children. If swallowed, seek medical attention immediately
- ❖ Make sure the batteries are inserted correctly
- ❖ Do not mix old and new batteries, alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries.
- ❖ Remove exhausted or dead batteries from the product.
- ❖ Remove batteries if product is not to be used for a long time.
- ❖ Should this product cause, or be affected by, local electrical interference, move it away from other electrical equipment. Reset (removing and re-inserting batteries) if necessary.
- ❖ DO NOT RECHARGE THE BATTERIES.

1 - Battery installation

- Open the rear cover, and pick out the old batteries (if present).
 - Insert new batteries (Make sure the negative signs of the batteries are on the springs of the battery holder, making sure to align the + and – symbols with the markings in the plastic)
 - Close the rear cover
- Your device is now ON

Product release 1 has got  certificate;

- Start-up

- Download Connected Cycle app (IOS or Android)
- Launch app
- Follow app instructions (account creation, enter device number...)
- The location of you device should appear on smartphone app after maximum 15 minutes.

Technical information:

Frequency Range	:	2412MHz~2462MHz(802.11b/802.11g/802.11n(HT20))
Modulation Type	:	CCK, DQPSK, DBPSK for 802.11b OFDM for 802.11g/n
Modulation Technology	:	DSSS
Number of Channel	:	11 for 802.11b/g/n(HT20)
Antenna Gain	:	2.0dBi
Operating Temp	:	25°C - 65°C

Declaration of Conformance

Hereby GMCE declares that the radio equipment type release 1 is in compliance with Directive 2014/53/EU.

FCC Statement:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference. (2) This device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

RF Exposure

The equipment has been evaluated to meet general RF exposure requirement. The device can be used in portable condition without restriction.
