

PIRELLI CTSN-09S Internal Photos V3

March 19th 2024

CTSN-09S Top Layer

Metal part on U1 is a lid and part of U1 itself, not a metal screen,

Notes:

The metal lid of U1 is an integral part of the component itself.

Removing the metal lid the U1 is broken and hence it is not removable

CTSN-09S Bottom Layer

CTSN-09S CR2032 Battery
