Solder Board-Component View 4	

Solder Board-Component View 5	 A photograph of a small electronic component, likely a microcontroller or sensor, with a black body and a small blue LED. It is connected to a red and black wire. The component is placed on a blue textured surface next to a black ruler for scale. The ruler shows markings in millimeters, with the component positioned between the 10mm and 15mm marks.
Solder Board-Component View 6	 A photograph of a multi-colored ribbon cable connected to a green printed circuit board (PCB) with gold-plated pins. The cable is bent upwards. The component is placed on a blue textured surface next to a black ruler for scale. The ruler shows markings in millimeters, with the component positioned between the 10mm and 15mm marks.
