

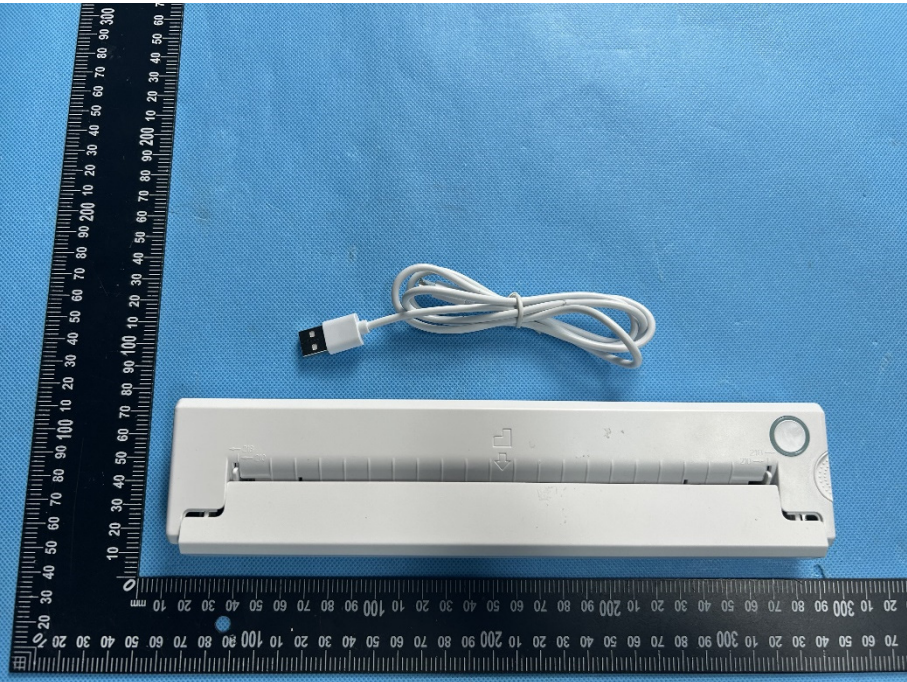

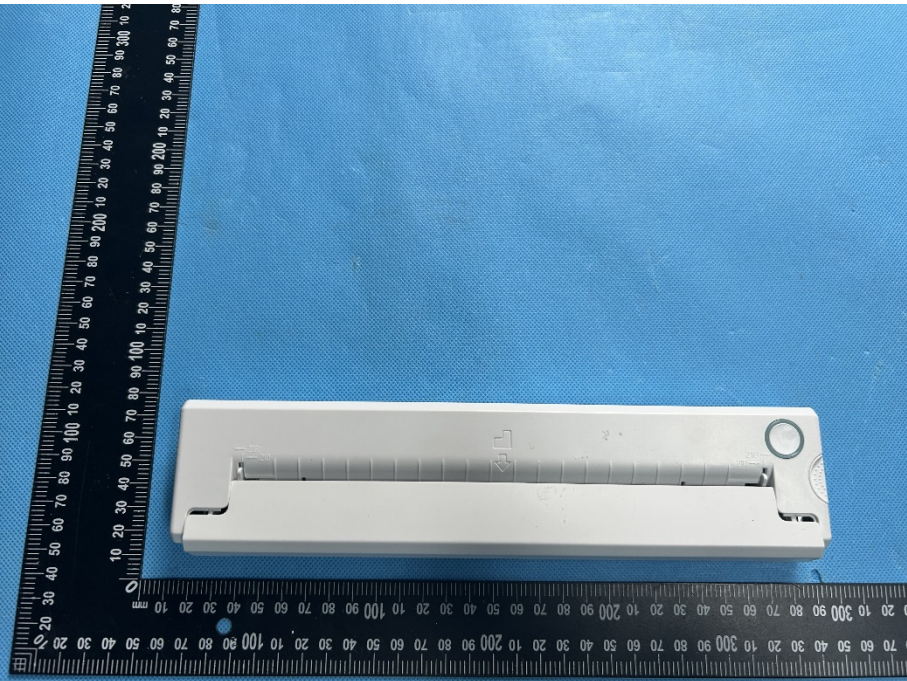

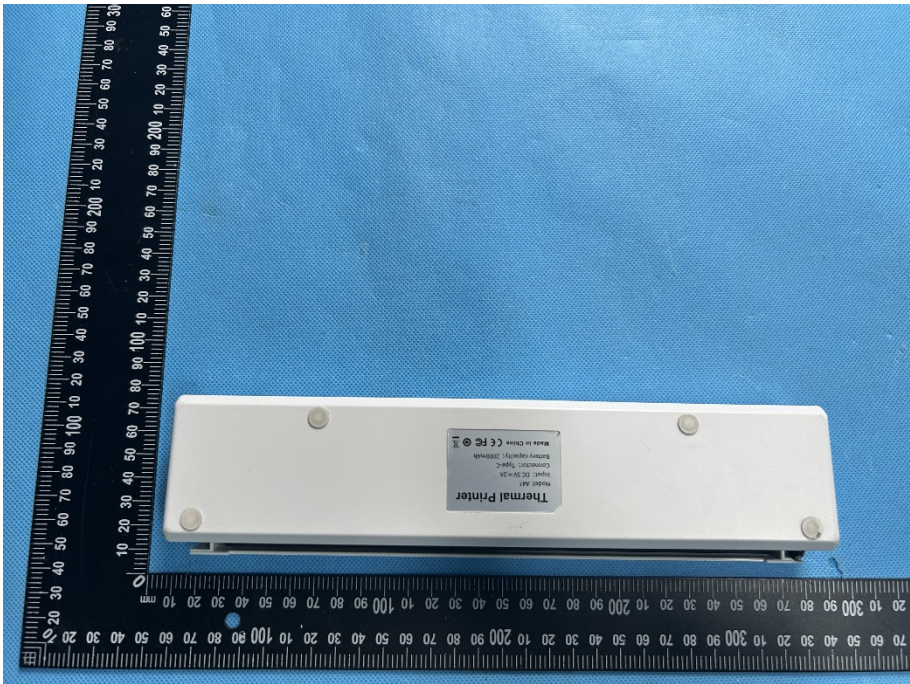

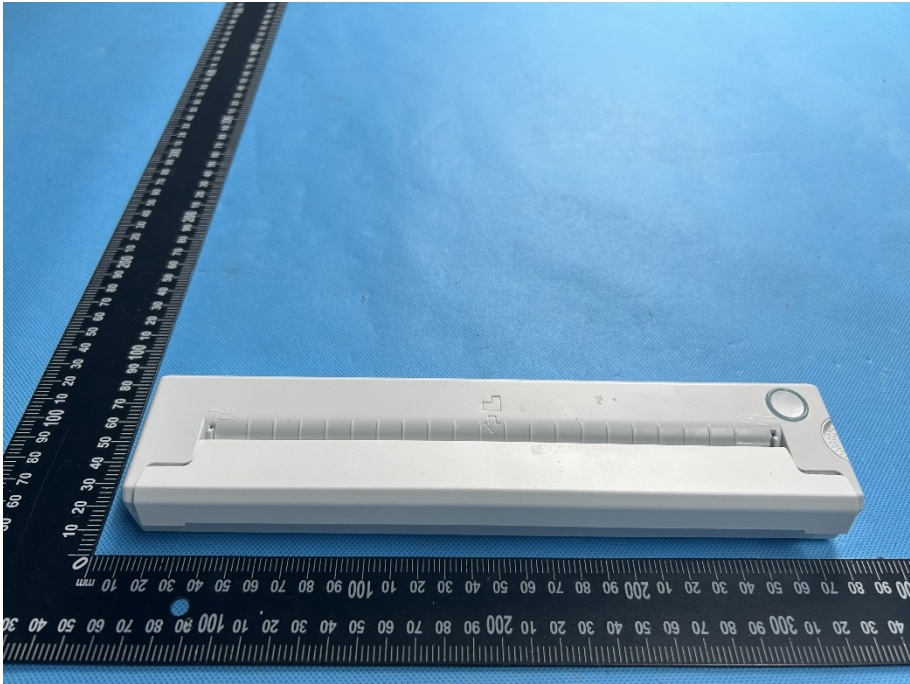

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

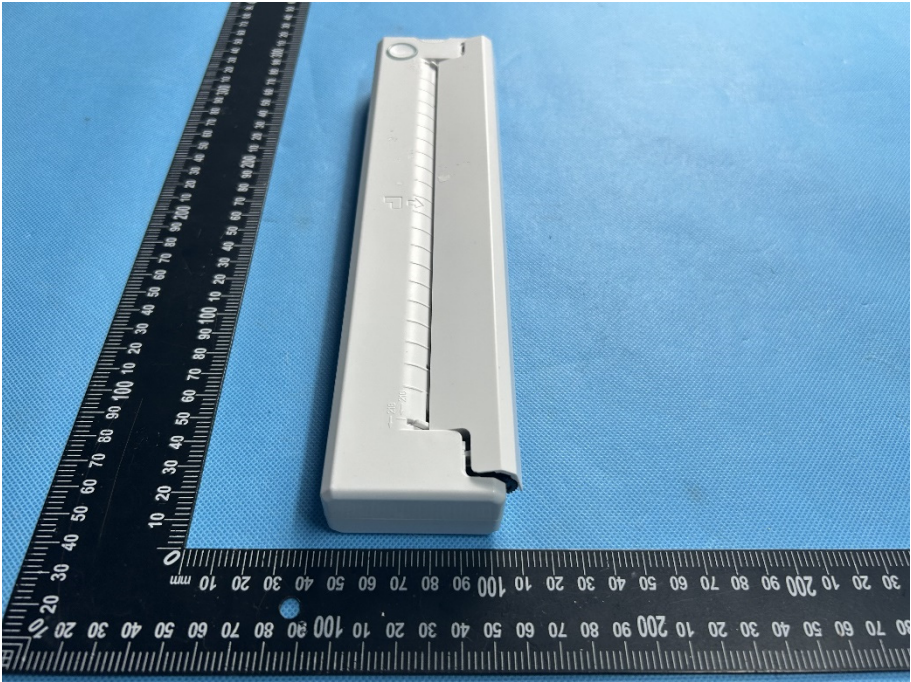

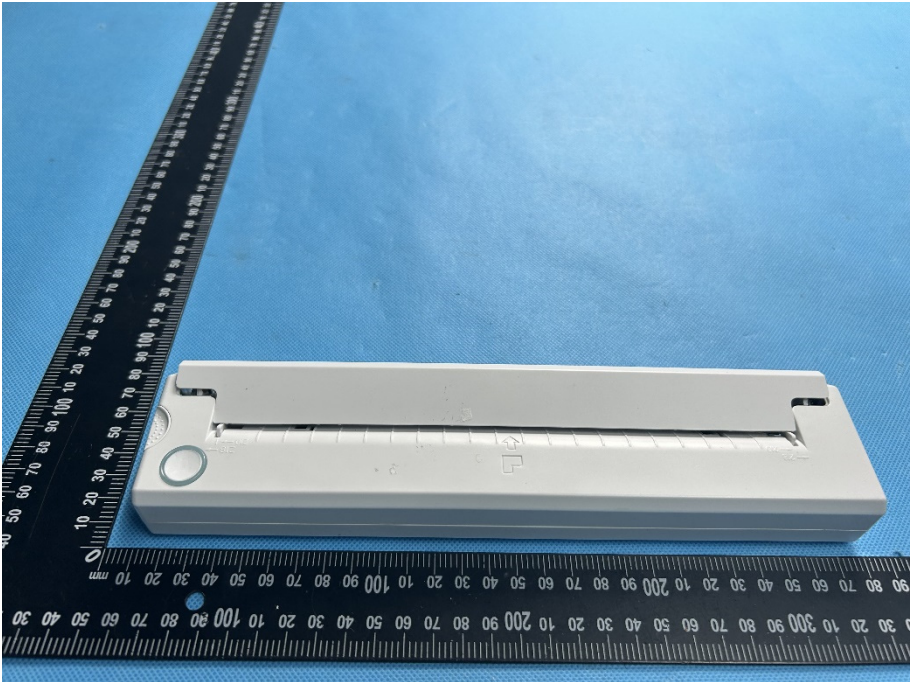

EUT View 1	
EUT View 2	

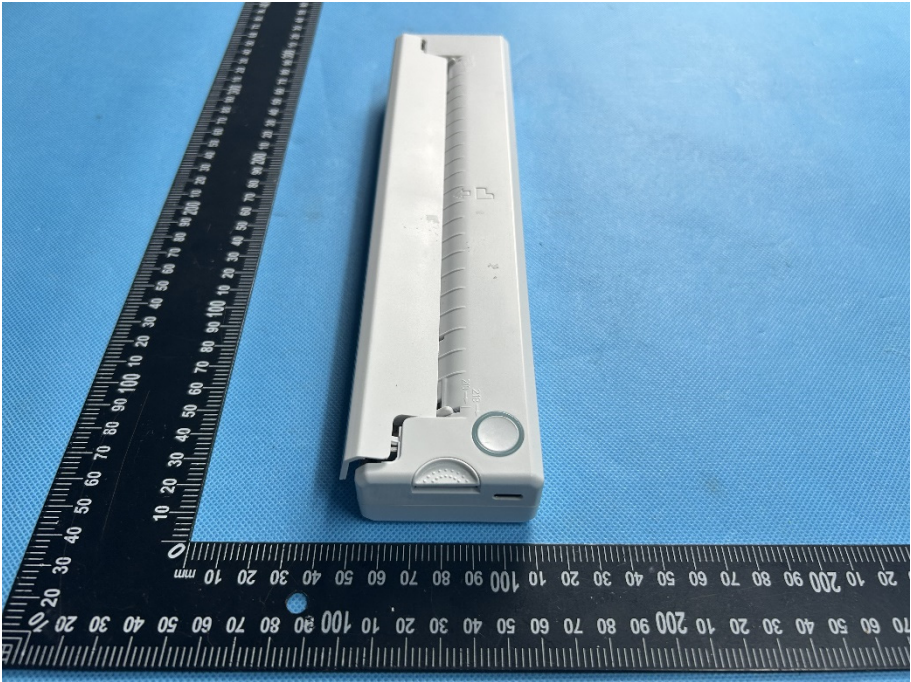

EUT View 3

EUT View 4

EUT View 5	 A side view of a white, rectangular electronic component. The component has a small circular feature on the left side and a series of small, rectangular features along the top edge. It is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
EUT View 6	 A top view of the same white, rectangular electronic component. The component is shown from above, revealing its flat surface and the small circular feature on the left. It is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.

EUT View 7	 A side view of a white, rectangular electronic device. A black ruler is placed horizontally below the device, showing measurements in millimeters. The device has a textured surface and a small circular feature near the bottom right corner.
EUT View 8	 A close-up view of the bottom of the device, showing a small, dark, rectangular slot or opening. The device is white and has a smooth finish.
