Subject: **Attestations for FCC ID: 2AO38-LTE4001-41**

- **Declaration of installation and use of the Wifi transmitter FCCID: PHV0965**

We hereby declare that the U-blox ODIN-W2 Wifi module is being installed and operated in accordance with all instructions. All external antennas incorporated are the same type and gain antenna as those that have been approved for the 2.4 GHz band by the FCC for use with the module.

- **Declaration for Disabling the Wifi 5GHz operation.**

We hereby declare our product will permanently disable all 5GHz channel Wifi operation by firmware. It cannot be enabled/overwritten by end users or unauthorized 3rd parties via any other means.

- **Declaration for disabling the 15 MHZ Bandwidth operation for LTE Band 41.**

We hereby declare our product will permanently disable 15 MHz bandwidth modes of operation for the LTE band 41 radios by firmware. It cannot be enabled/overwritten by end users or unauthorized 3rd parties via any other means.

Should you have any questions or comments regarding this matter, please don't hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that appears to read "Michael Anderson".
