

Subject: Revision of Board Tested is equivalent to final Product

Date 02/18/2020

FCC ID: 2AO44-B01
IC ID: 23661-B01

To Whom It May Concern:

We, Compology Inc. declare that the Revision of Hardware tested is the same as that of the final production product. There is a mistake on the PCBA silkscreen. It reads R04 when it should ideally be R05

Signature

A handwritten signature in black ink, appearing to read "BC".
