Re: § 2.933 Change in identification of equipment

To Whom It May Concern:

This change in identification of equipment request applies to the original FCC ID: 2ACT6LLRXR27, granted on 01/03/2017. The equipment bearing the modified identification (new FCC ID: **2AO4BLLRXR27**) is electrically identical to the original equipment. Therefore, the original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Kadonoff".
