Problem	Prevention/Solution
Cannot find "onn Premium Boombox" on my Bluetooth device.	• Ensure Bluetooth function is enabled on your device. • Double check if the speaker already connected with last-time paired device.
No sound or low volume from the speaker	• Adjust to higher volume. • When successfully connected with external device, adjust the volume level through your device.
Speaker cannot be power on	• Suggest to charge the battery more than 30 minutes. • Reset speaker.
