

# A2548\_Anker 318 Wireless Charger (Pad)\_QSG & Safety

LED Indicators	Status
LED light stays solid white for 3 seconds, then off	Connected to power
LED light flashes white	<ul style="list-style-type: none"><li>• Overvoltage or undervoltage protection activated</li><li>• Incompatible AC adapter connected. Switch to a Quick Charge 2.0/3.0 or Power Delivery adapter.</li></ul>
Solid white	Charing your phone

- You cannot charge your device wirelessly in these scenarios:
  - When using a case with a magnetic/iron plate;
  - When using a case with a grip or stand;
  - When using an ultra-thick (> 5 mm) protective phone case.
- Connect the wireless charger to a Quick Charge 2.0/3.0 or Power Delivery wall adapter. Do not connect to a 5V/1A wall charger or a USB port on a computer as it may affect the wireless charging function.
- Do not place any foreign objects between your device and the wireless charger's surface, including metal pads on a car mount, magnetic cards, door keys, coins, NFC cards, or other metal objects, as they could potentially demagnetize the wireless charger, affect the charging speed, or cause overheating.
- Wireless charging products make charging more convenient than wired chargers, but confined by current wireless technology, their charging speed is slower than that of wired chargers.
- High temperatures will reduce charging speed and restrict power. It is recommended that you charge your device in environments with temperatures

below 35°C / 95°F.

## Specifications

Input	5V = 2A / 9V = 2A
Output	5W / 7.5W / 10W
Operating Temperature	0°C - 40 °C
Radiated H-Field	-8.88 dBuA/m(@10m)(Only for EU&UK)
TX/RX Frequency Range	110-148kHz(Only for EU&UK)

## Important Safety Instructions

**Please refer to the electrical and safety information on the bottom before installing or operating the product.**

- Avoid dropping.
- Do not disassemble.
- Do not expose to liquids.
- This product is suitable for moderate climates only.
- The maximum ambient temperature during use of this product must not exceed 40°C.
- Open flame sources, such as candles, must not be placed on or near this product.
- Only use a dry cloth or brush to clean this product.

## FCC Warning

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2)

this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## **FCC RF Exposure Statement:**

This equipment complies with FCC Radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the product and your body.

The following importer is the responsible party (for FCC matters only).

Company Name: Fantasia Trading LLC

Address: 5350 Ontario Mills Pkwy, Suite 100, Ontario, CA 91764

Telephone: +1 800 988 7973

## **IC Warning Statement:**

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause

undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

IC RF exposure statement:

This equipment complies with IC Radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 10cm between the product and your body.

IC RF déclaration d'exposition:

Este equipo cumple con los límites de exposición a radiación por radiofrecuencia de la IC estipulados para un ambiente no controlado. Este equipo deberá instalarse y utilizarse con una distancia mínima de 10 cm entre el radiador y el cuerpo.

## Declaration of Conformity

Hereby, Anker Innovations Limited declares that this product is in compliance with Directives 2014/53/EU & 2011/65/EU. The full text of the EU declaration of conformity is available at the following internet address:

<https://www.anker.com/>

To comply with RF exposure requirements, a minimum separation distance of 20cm must be maintained between the user's body and the product.

## **GB Declaration of Conformity**

Hereby, Anker Innovations Limited declares that this product is in compliance with Radio Equipment Regulations 2017 and The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012. The full text of the GB declaration of conformity is available at the following internet address:

<https://www.anker.com>

To comply with RF exposure requirements, a minimum separation distance of 20cm must be maintained between the user's body and the product.
