TUV SUD C US
VI 5 X 5 二维码

The diagram shows a rectangular label with rounded corners. A red arrow points from the 'Label location' box to the top center of the label. The label contains technical specifications, safety warnings, and regulatory information. On the right side, there are icons for TÜV SUD certification (C and US), a house symbol, a crossed-out trash can, and a QR code labeled '5 X 5 二维码'. The label also features two illustrations of the charger's top and bottom views.
