

Important Safety Information

Read all instructions before installing or operating the product.

- Store in a cool and dry place.
- Do not store the product in a hot or humid environment.
- Use of a power supply or charger that is not recommended or sold by the product manufacturer may result in a risk of fire or injury to persons.
- Operating temperature should be between 0°C to 40°C.
- Do not disassemble the product or make unauthorized alterations to the product; doing so may compromise safety, regulatory compliance, system performance, and may void the warranty.
- Do not clean the product with harmful chemicals or detergents.
- Misuse, dropping, or excessive force may cause product damage.
- Do not subject the product to mechanical shock, crushing, or cutting.
- Do not short-circuit the product or let it be short-circuited by other metal objects.
- To reduce the risk of injury, close supervision is necessary when this product is used near children, or keep the device out of the reach of children.
- Do not put fingers or hands into the product.
- Do not use the device in excess of its output rating. Overloading outputs above its rating may result in a risk of fire or injury to persons.
- Do not use the device if it is damaged or modified. It may exhibit unpredictable behavior resulting in fire, explosion, or risk of injury.
- Have servicing performed by a qualified repair person using only identical replacement parts. Servicing is required when the device has been damaged, such as
 - When the power supply or cord is damaged;
 - When liquid has been spilled or objects have fallen into the device;

- - When the device has been exposed to rain or moisture, does not operate normally, or has been dropped.
- Switch off the device when not in use.
- Do not install this equipment near any heat sources or in a confined space, such as a bookcase or similar unit, and ensure it remains in a well-ventilated area.
- Only suitable for safe use in areas below 2000m above sea level.
- Protect the power supply or cord from being walked on or pinched.
- Unplug this device during lightning storms or when unused for long periods of time.

WARNING: Use only power supplies / attachments / accessories specified by the manufacturer.

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15

of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- (1) Reorient or relocate the receiving antenna.
- (2) Increase the separation between the equipment and receiver.
- (3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- (4) Consult the dealer or an experienced radio / TV technician for help.

Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20cm between the radiation and your body.

The following importer is the responsible party (for FCC matters only).

Company Name: Fantasia Trading LLC

Address: 5350 Ontario Mills Pkwy, Suite 100, Ontario, CA 91764

Telephone: +1-800-988-7973

Notice to Canadian users

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference.
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux

conditions suivantes :

(1) L' appareil ne doit pas produire de brouillage;

(2) L' appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d' en compromettre le fonctionnement.

Radio Frequency Exposure Statement for IC

This equipment complies with IC exposure limits set forth for an uncontrolled environment. The device can be used in portable exposure conditions. This equipment shall be installed and operated with minimum distance 20cm between the radiator & body.

Cet équipement est conforme aux limites d'exposition IC établies pour un environnement non contrôlé. L'appareil peut être utilisé dans des conditions d'exposition portables. Cet équipement doit être installé et utilisé avec une distance minimale de 20 cm entre le radiateur et le corps.
