

Anker Innovations Limited

Declaration of Product Modifications

Date: 7/25/2022

This is to request a Class II permissive change for FCC ID: 2AOKB-A9137 originally granted on 10/29/2021.

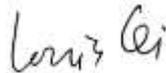

The major change filed under this application is:

This changed the wireless charging module capacitor and internal photos, re-testing conduction emissions and radiation emissions.

The capacitor of the wireless charging module was changed from C3 and C4 to CE1.

Sincerely,

(Signature)
