Model D0480      51002003128 V01

**Notice**

**CE** This product complies with the radio interference requirements of the European Community. Anker Innovations Deutschland GmbH | Georg-Muche-Strasse 3, 80807 Munich, Germany

**Declaration of Conformity**

Hereby, Anker Innovations Limited declares that this device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. For the Declaration of Conformity, visit the website: [uk.seenebula.com](http://uk.seenebula.com)

RF exposure information for D0480: The Maximum Permissible Exposure (MPE) level has been calculated based on a distance of d=20 cm between the device and the human body. To maintain compliance with RF exposure requirements, use products that maintain a 20cm distance between the device and human body.

Bluetooth BT Maximum output power: 8.96 dBm(EIRP); Bluetooth Operating BT Frequency band: 2402~2480 MHz  
Wi-Fi Max Output Power: 19.67 dBm (EIRP for 2.4G); 19.62 dBm (EIRP for 5G)  
Wi-Fi Frequency Band: 2412~2472 MHz (2.4G); 5150~5250 MHz, 5725~5850 MHz (5G)  
**5150~5350 MHz** can be used indoor only.

RF exposure information for C008: The Maximum Permissible Exposure (MPE) level has been calculated based on a distance of d=20 cm between the device and the human body. To maintain compliance with RF exposure requirement, use product that maintain a 20cm distance between the device and human body.

Bluetooth Operating Frequency Range: 2402~2480 MHz; Bluetooth Max Output Power: 8.2dBm(EIRP)

**UK CA** This product complies with the radio interference requirements of the United Kingdom Declaration of Conformity.

Hereby, Anker Innovations Limited declares that the product type D0480 is in compliance with Radio Equipment Regulations 2017.  
The full text of the UK declaration of conformity is available at the following internet address:  
<https://uk.seenebula.com>  
Anker Technology (UK) Ltd | Suite B, Fairgate House, 205 Kings Road, Tyseley, Birmingham, B11 2AA, United Kingdom

**FCC Notice**

This device complies with the FCC rules, Part 15. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

**Warning:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

- 05 -

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**FCC Radiation Exposure Statement:**  
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the radiator and your body. This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

**Notice: Shielded cables**  
All connections to other computing devices must be made using shielded cables to maintain compliance with FCC regulations.

The following importer is the responsible party.

**Important Safety Instructions**

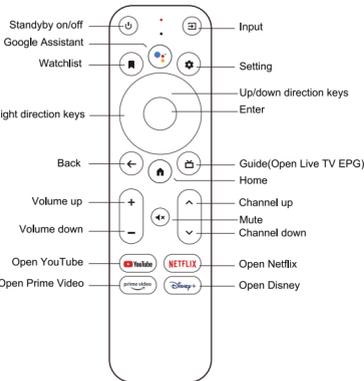

- Keep this product in horizontal position. Do not put any heavy objects on the top of this product.
- Use the provided or certified cables to prevent any damage.
- Do not disassemble or modify this product to avoid electric shock or damage.
- Keep away from any heat sources.
- Keep away from dust that could cause fire or electric shock.
- Place in a dry and well-ventilated area.
- Turn off and remove the cable if this product emitting smoke or any unpleasant odor.
- Unplug from the power source when not in use for a long period of time.
- Do not use the product in the environment at too high or too low temperature, never expose the device under strong sunshine or too wet environment.
- Use only the charger provided by the manufacturer. Using an unauthorized charger may cause danger and violate the warranty.
- The charger is for indoor use only. The charger type is DSA-10PF06-05 FEU , output voltage/current is 5Vdc/1.5A. The plug is considered as a disconnect device.

**Remote Control**

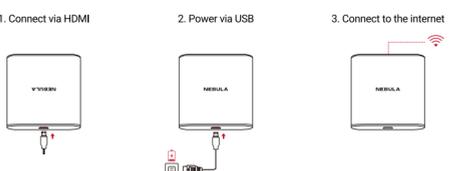

**Bluetooth Pairing:** Pressed **'Home'** and **'Back'** simultaneously on the remote control for 10 seconds.

**Google Assistant:** Press the **'Google Assistant'** button on your remote to talk to Google. Google Assistant is not available in certain languages and countries. Availability of services varies by country and language.

- 02 -

**Connecting**

1. Connect via HDMI
2. Power via USB
3. Connect to the internet

Turn off all equipments (TV, screen monitor, or projector) before connecting.  
Some USB ports don't provide enough continuous power, you may need to connect with AC power outlet.  
Select **'Settings' > 'Network & Internet'**, turn on Wi-Fi and connect an available Wi-Fi network with correct password.

**Specifications**

Input	DC 5V/1.5A
Power consumption	< 4W
CPU	CPU: ARM Quad 64-bit Cortex-A53 up to 2GHz (DVFS)
Android OS	Android™ 10
Video output	HDMI 2.1
Video format	H.265 10-bit 4K*2K@75fps, VP9 4K*2K @75fps, AVS2-P2 up to 4K*2K@75fps, H.264 AVC 4K*2K@30fps, MPEG1/2/4 ASP, WMV/VC-1, AVS+, RealVideo8/9/10 and other video formats
Audio format	MPEG1/2/4, AAC, MP3, AAC/AAC+, WMA/WMA-pro, FLAC, OGG (AC3, DtsBy Digital File) and other audio formats
Wi-Fi network	Wi-Fi 2.4G/5.0GHz 802.11 a/b/g/n/ac
Bluetooth version	Bluetooth 5.0
Operation temperature	0°C - 40°C

**Troubleshooting**

Issue	Possible reason(s)	Solution
No display	Some USB ports don't provide enough continuous power.	Connect with AC power outlet.
No sound	The streaming dongle is muted.	Press the mute button again to restore volume.
	The volume level is too low.	Turn up the volume.
Fail to connect the network	The cable is not connected in a proper way.	Please reconnect.
	Wi-Fi is closed or the signal is too weak.	Turn on the Wi-Fi or adjust the position of your router.
Controller failure	The remote control is not paired correctly to the TV box.	Try to re-pair.
	The remote control has a low battery.	Change the batteries.
	The remote control is broken.	Contact our customer service center.

**ISED Warning:**

This device complies with Innovation, Science and Economic Development Canada License exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Operation of this device in the band 5150-5350 MHz is restricted to indoor use only.

Le fonctionnement de cet appareil dans la bande 5150-5350 MHz est limité à une utilisation en intérieur uniquement.

**RF Exposure Statement:**

The device is compliance with RF exposure guidelines, users can obtain Canadian information on RF exposure and compliance. The minimum distance from body to use the device is 20cm.

Le présent appareil est conforme Après examen de ce matériel aux conformité ou aux limites d'intensité de champ RF, les utilisateurs peuvent sur l'exposition aux radiofréquences et compliance d'acquérir les informations correspondantes. La distance minimale du corps à utiliser le dispositif est de 20cm.
