China

Product: RoboVac 11c+, RoboVac 11c Pet Edition, RoboVac 11+

FCC ID: 2AOKB-T2107

Model Name: T2107, T2111, T2104

All the model are the same circuit and RF module,

T2104 and T2107 are the same, they have WIFI module, can connect the internet; but  
the sales area is different, so the model is different;

T2111 have the same WIFI module too, can connect the internet, and have Virtual  
wall in the package

Thanks

Sincerely,
