#### Important Safety Instructions

- This product is rated as IP67 waterproof. It can be used outdoors, but immersion in water is not recommended.
- The control box and power adapter are not waterproof and can only be installed indoors.
- To prevent the light string from falling down, make sure it is installed with both the adhesive tapes and clips.
- Tighten up the waterproof cap before using the light.
- Do not allow children to assemble or install this product.
- Avoid installing this product near large heat sources or other dangerous sources.
- The recommended temperature range for devices and accessories is  $-20^{\circ}\text{C}$  to  $45^{\circ}\text{C}$  ( $-4^{\circ}\text{F}$  to  $113^{\circ}\text{F}$ ).
- Unless specifically indicated that it is safe to do so in the user guide or instruction manual, do not use this device in an environment that exceeds the recommended low or high temperature.
- Unless specifically indicated that it is safe to do so in the user guide or instruction manual, avoid exposing your device to direct sunshine or excessively wet environments.
- For pluggable equipment, the socket outlet should be easily accessible.

- Use only the adapter provided by the manufacturer. Using unauthorized adapters may cause danger and violate the authorized use of the device or the warranty article. External dimmers cannot be used with this product.

## Notice

### FCC Statement

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television

reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: (1) Reorient or relocate the receiving antenna. (2) Increase the separation between the equipment and receiver. (3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. (4) Consult the dealer or an experienced radio/TV technician for help.

### FCC Radio Frequency Exposure Statement

The device has been evaluated to meet general RF exposure requirements. The device can be used in fixed/mobile exposure condition. The min separation distance is 20cm.

Notice: Shielded cables

All connections to other computing devices must be made using shielded cables to maintain compliance with FCC regulations.

The following importer is the responsible party  
Company Name: POWER MOBILE LIFE, LLC  
Address: 10900 NE 8th St, Ste 501, Bellevue WA

98004

Telephone: 1-800-988-7973

### IC Statement

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

(1) this device may not cause interference, and  
(2) this device must accept any interference, including interference that may cause undesired operation of the device."

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

(1) l'appareil n' doit pas produire de brouillage, et  
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement."

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

### IC RF Statement

When using the product, maintain a distance of 20cm from the body to ensure compliance with RF exposure requirements.

Lors de l'utilisation du produit, maintenez une distance de 20 cm du corps afin de vous conformer aux exigences en matière d'exposition RF.

### Declaration of Conformity

 This product complies with the radio interference requirements of the European Community.

### Declaration of Conformity

Hereby, Anker Innovations Limited declares that this device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. For the declaration of conformity, visit the website: <https://uk.eufylife.com>.  
RF exposure information: The Maximum Permissible Exposure (MPE) level has been calculated based on a distance of d=20 cm between the device and the human body. To maintain compliance with RF exposure requirements, use products that maintain

a 20cm distance between the device and human body.

Función	Bandas	Operation Frequency	Max.Power
Bluetooth	2.4GHz	2402-2480 MHz	EIRP 8.0 dBm
Wi-Fi	2.4GHz	2412-2472MHz	EIRP 19.10 dBm

The following importer is the responsible party (contact for EU matters only)

Anker Innovations Deutschland GmbH | Georg-Muche-Strasse 3, 80807 Munich, Germany

 This product complies with the radio interference requirements of the United Kingdom.

Hereby, Anker Innovations Limited declares that this product is in compliance with Radio Equipment Regulations 2017(SI2017/1206). The full text of the UK declaration of conformity is available at the following internet address: <https://uk.eufylife.com>.
