Dear Sir/Madam,

We, Taekwang Electronics, declare like below;

[Product Information]

- Product: Bluetooth Walkie-talkie
- Model name: SORI 7
- FCC ID : 2AOMBSORI7

1. All models SORI 3, SORI 5, SORI 7 are electrically identical in regard to Radio.
2. The Walky Talky Function will be purely based on the Bluetooth and that it is currently being certified to operate only through Bluetooth radio and no other radio is present.
3. PPT button: This is not a "Full Duplex" type of communication when linked with a radio app on a smartphone, but a "Half Duplex" method that is transmitted when a PTT button is pressed like a walkie-talkie.
4. Smartphone Radio App: If you install the radio app on your Smartphone and then connect SORI 7, it will be implemented as a distance-limited radio.

※ Note: You can easily find out by searching "Radio app" or "ZELLO" in Google search or Play Store.

Sincerely Yours,

Kwang Jae Lim
/ CEO
