Congratulations! You have now assembled your Hockey Table. Please note the Care and Use instructions below to ensure many years of trouble free use of your Hockey Table.

CARE AND USE OF YOUR HOCKEY TABLE

1. Use only a suitable 120v AC household outlet, and insure the cord is not a trip hazard.
2. For long life and best play from your air hockey table, apply spray furniture polish to a clean cloth and wipe down the playfield with air motor running to make the best play and frequently thereafter.
3. This product is intended for **INDOOR** use only.
4. **DO NOT** operate the motor if the cord is damaged in any way.
5. **DO NOT** sit, climb or lean on the table.
6. **DO NOT** drag the table when moving it. This will damage the legs.
7. **DO NOT** set drinks on the table.
8. It is suggested that this table be placed close to wall thus allowing the air motor cord to **NOT** be a trip hazard. Always turn air motor off when table is not in use.
9. Use a carpenters level to properly level table using the leg levelers.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

DOWNLOAD “ScoreLinx” APP

1. Download the "Scorelinx" App to your device from the Apple APP Store or Google Play. And you can also Scan the QR code on the right.
2. Follow the on-screen instructions to install the App.

Phone System Requirements:

IOS 11 / 16G and above. Android 4.4 / 16G and above.

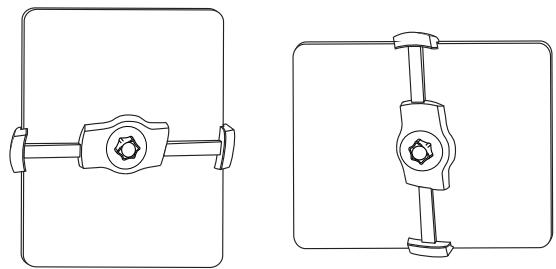

POSITION YOUR SMART DEVICE

1. Place your Smart Device on P6 Device Holder, and make sure your device is clipped tightly by the holder.
2. You can position your device both vertically and horizontally by rotating the Device Holder.

The Holder goes to vertical position to support tablet view in landscape.

Note: The maximum work length of Device Holder is 7.5 inch. This Holder only for Smart Device smaller than 10 inch.

BLUETOOTH SETTINGS

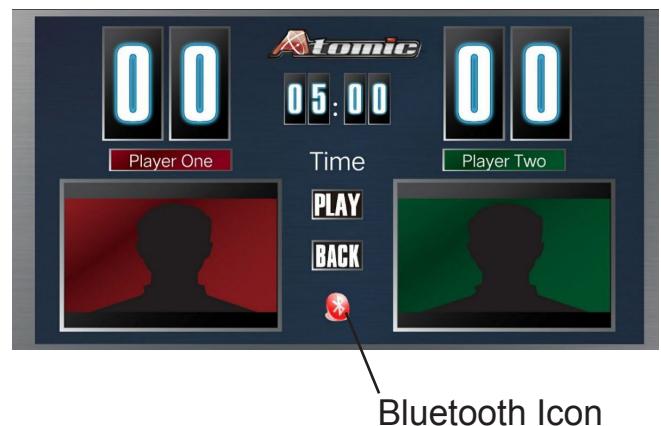

1. Open the Bluetooth capability of your Smart Device.
2. Turn on the switch of P8 Bluetooth Battery Box under the table.
3. Open the "Scorelinx" APP on the phone and then the Bluetooth Box will automatically pair to your device.
4. Only one Bluetooth Battery Box can be paired to one Smart Device at one time.
5. Only open the APP on Smart Device at a time otherwise the Bluetooth connection will be interrupted.
6. Keep your Smart Device on the Device Holder to ensure constant Bluetooth connectivity.

Troubleshooting: Make sure Bluetooth is in the ON position to pair to the the table. You can see the item is successfully paired when you click on the Bluetooth menu item in your settings and see the device is properly paired.

And in game interface, the RED Bluetooth icon will also turn BLUE.

The normal time of Bluetooth connection is within 5-60 seconds. You can turn off and turn on the Switch of P8 Bluetooth Battery Box if connection timeout.

Do not forget to turn off the switch when you finish playing.

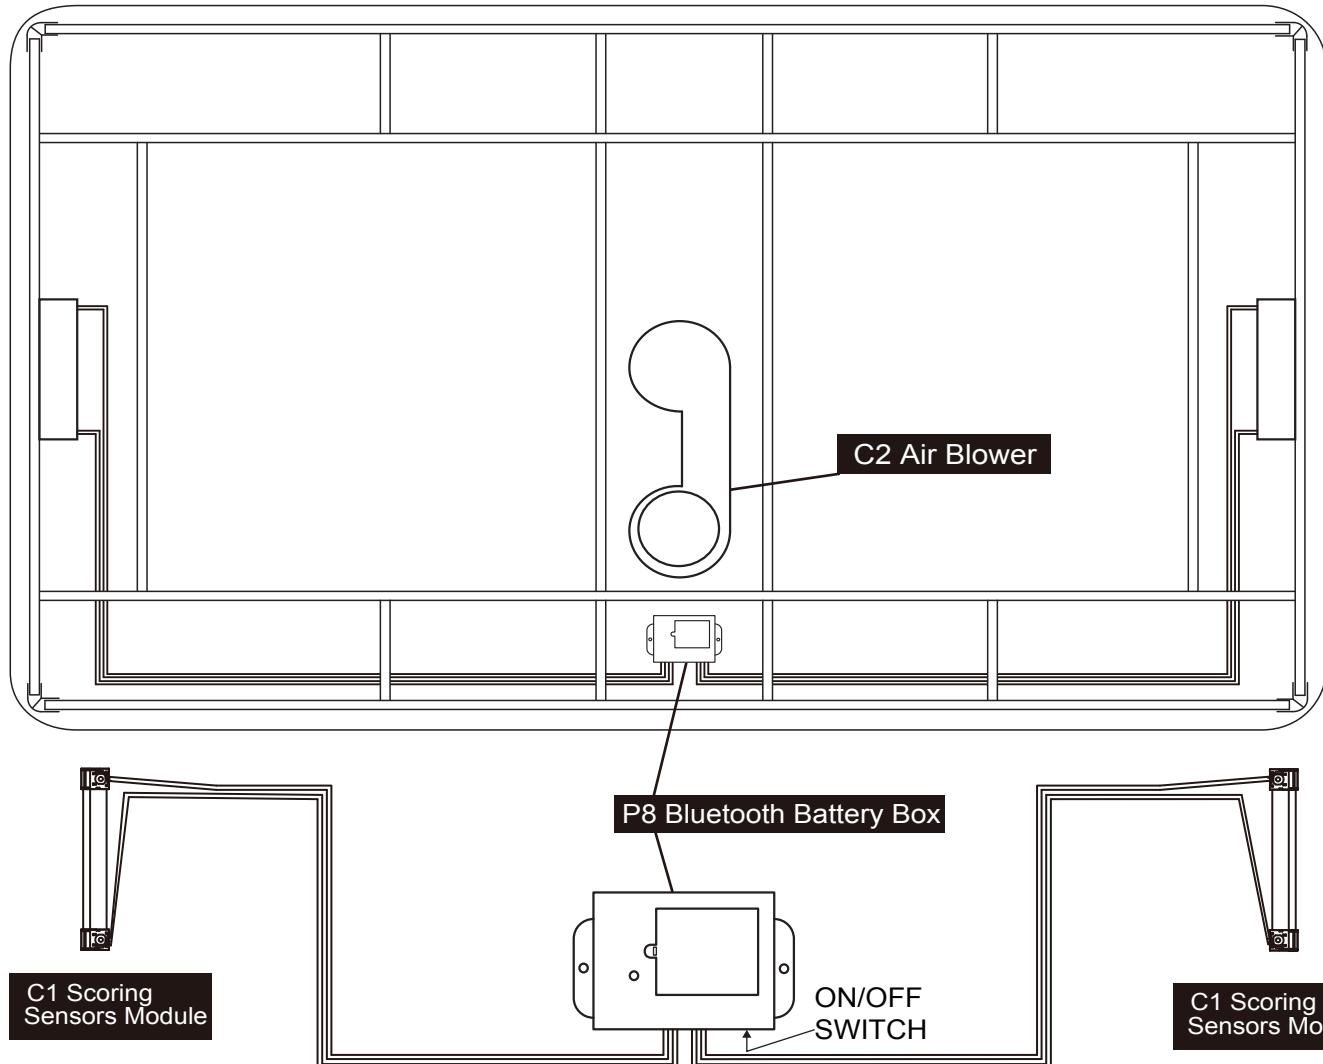

HOW TO PLAY

1. To play a quick game without utilizing the customized options, simply press start game and choose the length of your game Choose 5,10, or 15 minutes and then press PLAY to start the game.
2. To edit the player name, press inside the Player box to activate the on screen keyboard, delete the word "player" and enter your own name. Repeat this process for player two. Use the hide keyboard function in lower right hand corner of the on screen keyboard to hide the keyboard when finished entering the names.
3. Press the camera icon and you will have the choice to upload a picture from your own picture gallery or take a new photo to represent your avatar on the scoring display. After you take the photo, you simply press the "USE PHOTO" to choose that photo. Or you can retake the photo if you want to use a different one. Repeat this step for player 2
4. To create a custom voice command when you score a goal, simply press the Microphone icon and speak into the phone. The microphone icon will turn red when recording. Press the microphone icon again to end your recording After you are finished recording your voice effect, you can preview and playback the recording if you wish before you use it for game play. To see how your new recording sounds, press the speaker icon just below the microphone icon to hear it. You can repeat the recording process again if you do not like what you have done to create a new one. Repeat the same process for player 2.
5. You would then press enter to advance to the next screen where you would select the game length.
6. Press "PLAY" to start the game.
7. When the "PLAYER 1" scores, the display on the "PLAYER 1" side increases by 1.
8. When the "PLAYER 2" scores, the display on the "PLAYER 2" side increases by 1.
9. The winner is the the player with the highest score when the game time ends.

Note: It is not mandatory that you select both a custom picture and sound recording. You can choose to do both or none at all. You can choose your own celebration or heckle your opponent with your recording. It's up to you! Traditional goal scoring hockey horns will be the default sound for goals scored if no custom sounds are recorded.
