

MF500 WIRELESS CHARGING STAND

Hereby, [Shenzhen Kaixinghui Technology Co., Ltd] declares that the radio equipment type [MF500] is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: <http://www.yootech.net/download.html>

FCC WARNING

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.
- The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the product.

The equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. During the operation of device a distance of 15 cm surrounding the device and 20 cm above the top surface of the device must be respected.

FCC ID: 2AOSUMF500
FCC STATEMENT:
This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

	Adapter Type	Compatible Device
5W	Using QC2.0/QC3.0/PD adapter or 5V,3A adapter	Compatible with all Qi enabled devices
7.5W	Using QC2.0/QC3.0/PD adapter	iPhone 11/ 11 Pro/ 11 Pro Max/ iPhone 8/ 8 plus/iPhone X/ XS/ XS Max/ XR.....
10W		Samsung Galaxy Note 10/ Note 10+/ S10/ S10+/ S10e/ S9/ S9+/ Note 9/ Note 8/ S8/ S8 plus/S7/ S7edge/ S6 edge plus/ Note 5/ Google Pixel 3/ 3XL.....

Use Instruction

Phone:

1. Please use a good brand 5V,3A adapter or 9V,2A fast charging adapter.

2. Connecting power with USB port, the indicator will light up for 3 seconds when power is on.

3. ① Locate your phone on charging pad and make sure it is on sweet spot for effective charging.

- ② When the phone is charged successfully, the LED indicator will light up for 15 seconds then off to keep the whole charging process sleep-friendly.

EG

AirPods Pro and AirPods with wireless charging case:

- ① Place the AirPods on the left wireless charger, and ensure it is in the best position for better charging experience.

AirPods without wireless charging case:

- ① Please use the original AirPods cable (Not included).
- ② Open the cover of the bottom shell, insert the cable into the Yootech wireless charging stand along the slot, and fix it.

- ③ Wrap the wire and put it into the bottom cavity, plug in the bottom USB port, and close the cover.

- ④ Connect the AirPods with the cable to start charging.

Apple Watch:

- ① Please use the original Apple Watch wireless charger (Not included).

- ② Insert the Apple watch wireless charger into the Yootech wireless charging stand along the slot, and fix it.

- ③ Open the cover of the bottom shell, wrap the wire and put it into the bottom cavity, plug in the bottom USB port, and close the cover.

- ④ Place the watch on the Apple Watch wireless charger to start charging.

Product Specification

Model: **MF500**
Size: 192.4*101.7*118.6mm
Input: DC 5V === 3A, 9V=== 2A
USB-A*2: 5V === 0.5A(Total 0.5A)
Output 1: 5W/7.5W/10W
Output 2: 2.5W
Coil: 1+2 coils
Charging Distance: 4mm-6mm
Frequency Range: 121.92kHz-205.19kHz (for AirPods)
109.94kHz to 151.60kHz (for Mobile Phone)
Max. Output Power: 23.01dBμA/m at 3m (for AirPods)
23.54dBμA/m at 3m (for Mobile Phone)

Attention

1. Keep the charger away from water and other liquid.
2. Please make sure the power is cut off before cleaning the charger
3. Use the charger between 0-40°C
