To: Federal Communications Commission,
Authorization & Evaluation Division,
7435 Oakland Mills Road,
Columbia, MD 21046

To Whom It May Concern:

We, Shenzhen SEI Robotics Co., Ltd., attest that this device under FCC ID: 2AOVU-SX6BLGN complies with device protocol requirements and operational restrictions: for (all that apply - indoor client 6XD).

1. Statement that the device will only associate and connect with a low-power indoor access point or subordinate device and never directly connect to other client devices.
2. Statement that this device will always initiate transmission under the control of a low-power indoor AP or subordinate except for brief transmissions before joining a network. These short messages will only occur if the client has detected an indoor AP or subordinate operating on a channel. These brief messages will have a time-out mechanism such that if it does not receive a response from an AP it will not continually repeat the request.
3. Statement that transmissions will be lower or equal to the power advertised by the indoor low-power access point or subordinate and never above the maximum output power allowed by the FCC grant for equipment class 6XD.

Yours Sincerely,

A handwritten signature in black ink that reads "Jason Zhao". The signature is written in a cursive, slightly slanted style.
